An English Netting Needle-roll

3 hours

Smocking

All Levels

This delightful embroidered English Netting Needle Roll is symbolic of the era when opulence and lace went hand-in-hand. It has been designed to compliment the Smocked Scissor ball but is a very enjoyable class on its own. As the Needle Roll comes pre-pleated the smocker is free to concentrate on stitching, including Waves, Beaded Flowers and Van Dyke.

\$20

Kit includes pre-pleated embroidered netting and silk organza, Mill Hill beads, needle, ribbon, wool batting, Cascade Silk thread, and comprehensive notes.
