Strengths & Loves

- Very social, motivated by play
- Loves attention from peers and adults
- Mirrors others/is very observant
- Visual learner and quick to memorize
- Likes organization and order
- Compassionate and sensitive
- Loves hip hop and pop music
- Energetic and loves active games

Parent Vision: What does high school/adult life look like for Lily?

We envision our daughter living an independent life. We want her to engage in activities with her peers and be meaningfully included at school. We want her to feel encouraged, supported, challenged, and successful.

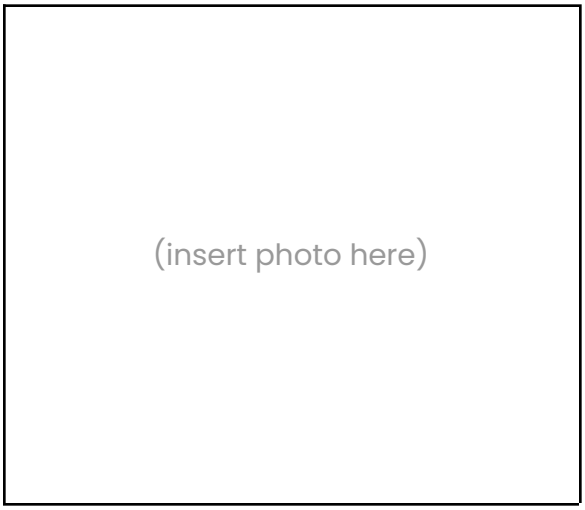

We want her to be empowered to graduate high school and go to college and/or gain meaningful employment.

More than anything, we want our daughter to feel loved, valued, seen, heard, and live a happy, meaningful life surrounded by family and friends.

Student Vision: What goals does Lily have for her future?

- To write and sing her own songs
- To play with her pets and her sister
- To learn how to cook her favorite foods
- To make new friends
