Finding all eviction cases in a certain date range (includes opened and closed cases):

1. Click "Civil, family, and probate records"
2. Click "use soundex" checkbox on top right
3. Select the "business" circle in the party information section
4. Type in "Mobile Loaves & Fishes" for business name in the search bar
5. Type in a start date or a range to reduce the number of cases shown
 - a. Set the start date as the last time you updated the spreadsheet to check for new cases
 - b. Set the start date earlier to review many cases over several months to see if any cases were dismissed
6. View an individual's case record by clicking on their blue case number in the left side

Find specific people's eviction cases:

1. Click "Civil, family, and probate records"
2. Type in an individual's name (exact spelling) and make sure it's set on "Name" and not "Business"
3. Add a date range if it's a common name or you're unable to find a case
4. Press search and click on the case number to view their case record

Search by Case Number:

1. Click "Civil, family, and probate records"
2. Select "Case number" in the "Search by" area at the top
3. Search using the case number
