

2026 Solicitation Collection Progress!

Communication is key! If you plan on calling on a potential donor, please note it here. (Note: this list notes people who have secured these donations in the past and is not exhaustive. Feel free to remove your name from this list if you are not able to contact them this year so that others may try. Those without names are suggestions. Add your own!)

Potential Business Donors

Applejacks Liquors (345 E Hickory St, Denton) is partnering with us for the Auction this year! Whatever liquor you'd like to **purchase for the auction** will be sold to us tax-free and at their employee discount: Cost + 14%!

Owner, Kevin Sanders, has made this so easy for us. They're setting it up in their system so the discount will be applied and the tax will be removed! When it comes time to buy, request a "purchase ticket" from me by email.

More on this later. Just wanted you to know so you don't ask them for a donation!

Which business(es) will you call on?!

1. Simply **click in the cell beside the business** you intend to call on and write your name!
2. Please don't edit anything on this page.
3. If you do so by accident, simply click "Edit → Undo."

Example: If Sally wants to ask Adams Furniture for a donation again this year, she would simply type her name in the cell beside the "Adams Furniture in Justin." **See example below:**
