

Rules:

1. Don't break the law!
2. Maximum 8 people to a team
3. Use your imagination. If you find a loophole in the rules, go for it - any (legal and somewhat safe) interpretation of the challenge is acceptable. Note: you get more points if you go above and beyond.
4. Pick an object as a mascot; you need to have your mascot in all of your pictures/videos for them to count towards your score and need to inform the team by emailing MCR-President@homerton.cam.ac.uk before setting off!
5. Photos or videos must be provided as evidence for all tasks. It is solely up to the team to decide if there is enough evidence for a task to count!
6. Please email all evidence to MCR-President@homerton.cam.ac.uk or 'Harry Convey' on Facebook Messenger.
7. For whole group challenges, one person can be out of shot to film!
