

QUALITY AND FOOD SAFETY POLICY

Itaueira Industrial Ltda adopts an innovative, competitive, and sustainable approach in the production and processing of fruits, guided by the following principles:

- To be a benchmark in the fruit juice production market, ensuring customer satisfaction regarding the quality and safety of its products;
- To use direct communication channels throughout the entire production chain, ensuring compliance with all legal requirements for quality and food safety in its products;
- To contribute to the professional and personal development of its employees and to the continuous improvement of its processes, as well as its food quality and safety culture;
- To guide its actions with a focus on market growth and shareholder satisfaction;
- To eliminate process losses in order to maximize food utilization.
