THE TRAIL

Tucked away in the green hills of Gatundu, Kiambu County, the Nyagaciru and Majiri Waterfalls trail is one of Kiambu's hidden gems — a short, scenic hike with serious “Materuni vibes.” The trail takes you through:

- Tarmac & Earth Roads — the trail starts on tarmac before turning onto a dusty earth road through the countryside
- Nyagaciru Waterfall — calm, picturesque and perfect for that first photo stop
- River Crossing — cross via water pipes or a flatter route nearby, with guides on hand to help
- Swimming Hole — a favourite cool-down spot before continuing the trail
- Majiri Waterfalls — taller and more dramatic, reached via a short, steep scramble. Well worth the effort! 

This is a fun, family-friendly hike for hikers of all levels — great for friends, families and kids 7 and above looking for a scenic day out close to Nairobi! 💪

WHAT TO WEAR

⚠️ **Expect sun, dust and a few steep, slippery sections — dress accordingly!**

-  Sturdy walking/hiking shoes with good grip — NO flat sandals or new shoes
-  Comfortable, quick-dry clothing
-  Hat or cap for sun protection
-  Sunglasses
-  Swimwear under your hiking clothes — for the swimming hole!

WHAT TO CARRY

-  At least 1.5–2L of water — stay hydrated throughout
-  Packed lunch and snacks
-  Hydrating fruits — oranges, watermelon, grapes
-  Sunscreen — limited shade on the open sections
-  Bug repellent

-  Change of clothes and shoes for the ride back — you WILL get wet/muddy
-  Waterproof bag or dry bag for valuables and electronics
-  Camera / fully charged phone and power bank
-  Small first aid kit

IMPORTANT NOTES

- Some sections are steep and slippery, especially near the waterfalls — take it slow and listen to your guide
 - River crossings will be guided — please follow instructions for your safety
 - This hike is suitable for children aged 7 and above, accompanied by an adult
