Bennie

Miniature Poodle | 5-6 Months | Male | 6 lbs

🐶 Dog friendly 🐱 Cat friendly 🧒 Kid friendly 🐶 Typical puppy! 🛏️ Crate trained 🏠 Working on House training 🚗 Good in the car 🧸 Loves to play 🤗 Snuggle Pup 😊 Friendly 😬 Can be Shy at first

Hi, I'm Bennie, and I'm looking for my perfect, loving lap to snuggle in. If you are looking for the sweetest, snuggliest little miniature poodle mix, I'm ready to move in! The vet estimated me at around 5 months old on 9/15/25, and I weighed 6 pounds that day. I'll get a little bigger, but I will always be a small pup. All I want to do is sit in my foster mom's lap and snuggle. I also enjoy playing with my brother. I make it to my potty pads 95% of the time, and I'm about to start potty training outside! I get along great with my brother, I respect the space of the grumpy resident dog here, and I do great with the resident cat. My mom, brother, and I were rescued from a neglectful backyard breeder situation. I can still be a bit skittish with loud noises, but I'm coming out of my shell more each day. Of me and my brother Jet, I'm the shyer one, but also more snuggly.

I'm just a happy little adorable guy who wants a home with lots of love and attention. Hold me like a baby, love me, and I'll be your best friend! Are you my forever snuggle buddy?

🐶 Dog friendly 🐱 Cat friendly 🧒 Kid friendly 🐶 Typical puppy! 🛏️ Crate trained 🏠 Working on House training 🚗 Good in the car 🧸 Loves to play 🤗 Snuggle Pup 😊 Friendly 🙈 Can be Shy at first

Howdy, I'm Jet! I'm a spunky, cuddly miniature poodle mix looking for a home full of snuggles and play time! The vet estimated me at around 5 months old on 9/15/25, and I weighed 8 pounds that day. I'll get a little bigger, but I will always be a smaller pup. My hobbies are loving on my foster mom, playing

with my brother, running around the living room, and chewing on dog chews. I'm bolder than my brother Bennie, but still well-behaved for a puppy! I make it to my potty pads 95% of the time, and I'm about to start potty training outside!

I get along great with my brother, I respect the space of the grumpy resident dog here, and I do great with the resident cat. My mom, brother, and I were rescued from a neglectful backyard breeder situation, and I have really come out of my shell since going to my foster home.

If you have a home full of attention, snuggles, and play, I'm your guy!

Izzy

Schnauzer Mix | 8 years | F | 10 lbs ** Special Needs - Paralyzed (Has wheelchair)

🐶 Dog friendly 🐱 Cat friendly 🧒 Kid friendly 🐶 Senior doggo! 🚗 Good in the car 🤗 Snuggle Pup
😊 Friendly 🙄 Shy at first

Izzy is a darling 4 year old mini schnauzer female who has a black colored coat. She was originally from a breeder in Longview, Tx. Once you have her trust, she is a sweet little doggie. She gets along well with other dogs and cats.

Izzy is paralyzed and the origin of paralysis is unknown. Her right back leg has no movement and dangles, while she can stand on her left back leg for a few minutes and wags her tail.

She pulls herself along at a swift pace and does use the restroom outside with the other dogs. She will go on the concrete and grass, but she doesn't like wet grass.

Izzy has a good appetite and has put on some healthy weight. She enjoys being brushed and will wag her tail to show appreciation. She is terrified of thunderstorms and will want to hide by a human being.

At night, she sleeps on a dog bed near her human's bed. Izzy wears an overnight diaper and there is a disposable pad underneath her for extra protection. Of course, if there are overnight storms she will want to be in the bed by the human foster with her diaper on and a pad under her. Izzy's diapers are on from 9:30pm-6am, generally.

Izzy is a wonderful little doggie and she just needs a caring and patient person who will work with her~~~

✅ UTD on vaccines, will be neutered
⚠️ High Prey Drive - small animals, he sees as "game on"

Meet Bruno - his eyes say it all. He was at a shelter, about to be euthanized but was saved by a good samaritan who saw the goodness in him. She is paying for his boarding currently, and has gotten him UTD on vaccines and he will be neutered. He is learning all the things to be the bestest boy. Everyone that meets him falls victim to his soulful eyes, quiet gentleness, and overall handsomeness. Small animals are not his jam, but he does well with kids and dogs of his size or larger.
