Students taking an AP test may use the late arrival or early dismissal option. Students wishing to arrive late must sign in at the main office upon arrival and have the permission form turned in by the due date. Please be aware if you arrive after 9:00 you will receive an automated phone call regarding your absence. This is an automated message and we will correct your attendance when

you sign in to the main office. Students should arrive 15 minutes before the start time of their test session. Students wishing to leave after the exam must turn in the late/early arrival form to the main office and sign out upon completion of the test.

Please complete the attached form and return it to the office by April 28th if you would like your child to arrive late/leave early on their AP test day. Copies of this form are available in the main office.

The Statistics, Psychology, Computer Science and Biology tests have the potential to run past regular dismissal time. We are suggesting that you prepare for alternative transportation home on those testing days if the students are bus riders.

If you have any questions or concerns please do not hesitate to call me.

I thank you for your time,

John Reichenberg
