Asian Student Union

Hello and welcome to the Asian Student Union!! ASU promotes the understanding of Asian, Pacific Islander, and Desi culture by facilitating open discussions, sharing personal narratives, inviting guest speakers, and enjoying diverse Asian food.

We cover a wide variety of topics such as Asian American discrimination, student struggles, history, cultural festivals, and current events. Our goal is to create a safe, welcoming, and fun environment for Asian (and non-Asian) students to hang out with old friends and meet new ones.

This club is open to anyone who is interested in learning about Asian culture, regardless of race or ethnicity. Contact one of the student leaders with any questions or if you would like to join!
