

**Fellow Resistance fighters!**  
**Exciting ways to volunteer your Time, Talent or Treasures!**

The Indivisible Newark Beach Brigade is an opportunity to reach thousands and thousands of people in a short amount of time. We stand on overpasses with large signs so all of the people driving by get our message. These events can help us recruit new people and show a United Delaware to the masses!

**It takes a small amount of effort to make a HUGE impact!**

Indivisible Newark DE- First State has been doing the Beach Brigade over Welsh Tract Road for several weeks now and want to expand on the success of that initiative!

Currently there are 2 brigades in New Castle County (one sponsored by us & one by Indivisible 302 United), 3 brigades in Kent County (sponsored by Indivisible Central DE), and 1 brigade in Rehoboth (sponsored by Indivisible Southern DE). We are hoping to expand to two more initially with more to follow!

The first 2 new locations we hope to add are the Chapman Road Bridge over I-95 (near 80 Chapman Road) and the Meadowood Pedestrian bridge over Kirkwood Highway.

**Ways to help, there is something for everyone!**

Time: volunteering with letter prep, sharing your ideas, message support,;

Talent: such as photography/videography, artistic talent;

Treasure: sharing or purchasing supplies.

## **Sign up to help now, later, or to just provide suggestions!**
