Hay=there is/there are
¿hay?=is there/are there?

hubo=there was/there were (it is the preterite tense--past tense)

From the verb "haber" which is a helping verb and cannot stand alone (with the exceptions of the two listed above)

aquí=here
allí=there
allá= there (farther away)

Demonstrative adjectives:

- are adjectives so agree two ways: number & gender
- agree with the work that directly follows
