Junior Camp Activities Offered 2024

Archery: A great way to learn how to shoot a bow. You will go over safety and technique, learn the basic form, and try for the bulls-eye!

Canoeing/Fishing: You'll get to pick if you want to either canoe or fish on Lake Edith! Learn the strokes with the paddle, take the canoe out with your friends, or try to catch a big one!

Returning for 2024! **Cheerleading:** (1st/2nd only) Learn different Greystone cheers, chants, and basic stunts in our Cheerleading class.

Cooking: Learn to measure, mix, bake, cook, and then nibble on classic Greystone treats.

Dog Camp: Cuddle and play with our camp puppies - a camp favorite!

Drama Games: Learn the essential principles of acting, voice, and speech from a professionally-trained actress through creative games and activities.

Returning for 2024! **Greystone Groove:** This camp classic is a fun upbeat class with choreographed dances that have been favorites with Greystone Girls for decades!

Experiment Class: Get ready to use your imagination, get messy, explore new ideas, engage your curiosity, and practice teamwork with a variety of different experiments.

Farm & Garden: Help harvest our produce, plant some seeds, and play with our adorable chickens, rabbits, cows, lambs, pigs, ponies, and more!

Fine Arts - Ceramics: Nothing beats playing with clay! You'll have your own project to take home with you.

Fine Arts - Crafts: You never know what the Fine Arts staff has in store for the Crafts class. Whatever it is, you're sure to love it!

Fine Arts - Knitting: Learn how to finger knit with our loops and looms project.

Fine Arts - Strings N Things: In this class, you will learn how to create, customize, and personalize your own friendship bracelets. We will use strings and small beads to make your bracelets represent your personality.

Gymnastics: Enjoy learning the basic techniques and developing your skills.

High Ropes (3rd/4th grade only)**:** Have fun in the clouds on our ropes course! With three skill platform areas, you will move between the different stations and try out various obstacles.

New to Junior Camp! **Kindness in Action:** a class where we embrace the cherished ideals of camp and weave them into the fabric of our social interactions. This fun class practices these ideals, strengthening the bonds that make camp life extraordinary. Through engaging activities and role-playing, we delve into the essence of Greystone, fostering a community where kindness, camaraderie, and graciousness become the cornerstones of our shared experience.

Landsports - Menagerie: Enjoy playing lots of different games? In this class, you can try out a mix of great games, such as Spud, Jimball, and Frisbee.

Landsports - Soccer: We will go over the basic skills and fundamentals and then put those into practice through fun games and play with your cabin group.

New to Junior Camp! **Putt Cove Fun:** We're adding one more water class to your daughter's schedule! We'll head down to Putt Cove for swimming in the lake, paddleboarding, and hanging out with friends on the "beach."

Riding: A long-standing camp tradition! This is an additional paid activity that you must sign up for before the summer through your Online Forms. Campers will miss two of their regularly scheduled classes to take Riding.

Riflery: We shoot professional air rifles on our own 50-foot range! Learn to shoot at Greystone, where you will be learning from the best.

Swimming - Pool Games: Two huge swimming pools, one that is 10 to 12 feet deep and the other a comfortable 3 to 8 feet deep, are both heated to a relaxing 85 degrees by state-of-the-art solar panels. You'll be splishing and splashing, playing fun pool games!

Tennis: Our well-maintained 8 hard surface courts are positioned in the very heart of camp. Whether you are picking up a racket for the first time or have already taken lessons, Greystone Tennis is for you!

Waterpark: Think you can make it to the end of our Ninja-Warrior-like obstacle course!? What better way to beat the sun than some lake fun at the Greystone Waterpark - from sliding down our junior 100-foot waterslide or our giant 170-foot super slide to paddling, blobbing, and jumping on our 30-foot water trampoline...there is something for everyone at this class! Campers will take this class TWO times during the Junior session.

If you have any questions about Junior Camp Activities, please email Meredith, the Junior Camp Program Director, at meredith@campgreystone.com.
