

Gel kise aur ke tu
Baat kise aur gelyan
Ankh kise aur pe
Se Raat kise aur gelyan

Dunia ke aage main sayani thi batheri
Kahan ne tere pe kahani thi batheri
Kahan ne tere pe kahani thi batheri

naa Roohan aali baat
bhukha jisman ka ho reha se
Itna bta de

Itna bta de
kis kis gelyan so reha se
Itna bta de

Itna bta de
besharm kyun ho reha se
Itna bta de

Jism pe tere jo kharonch ke nishan paave
Rooh pe re kaali teri soch ke nishan paave
Rooh pe re kaali teri soch ke nishan paave

Sukhe sukhe rahan laage honth jo gulabi the
biah aale vaade tere sare hi kitabi the

Bhagwan mat maniye re
veham tanne ho reha se
Itna bta de

Itna bta de
kis kis gelyan so reha se
Itna bta de

Itna bta de
besharm kyun ho reha se
Itna bta de

Mere hathan te tyar
'addy' karun meri saut ne
Tu us gel kheliye
main laun gall maut ne

main laun gall maut ne

Ya bech dyun jism re
main aake tere shahar mein
Tawayaf aali pahar lyun
Paajeb mere pair mein

Mud ke na dekhye
tera kaun kaun ro reha se
Itna bta de

Itna bta de
kis kis gelyan so reha se
Itna bta de

Itna bta de
besharm kyun ho reha se
Itna bta de

Main to mahir tha jisma te khelan me
Tu kyu meri baata me aayi thi
Ya kasuti jismo ki
Har raat mnne bujhayi thi

ishq mohhbaat ke kisse
Nuye sharminda pawege
Mitta to mar gya
par Addi jaise
Har ghar me zinda pawege

Itna bta de
