Adria Blum: announced that Original Artworks will be starting. Order forms will go out on 10/31 and orders will be due 11/10.

Emily Esch - Spoke on Erin Dunlap's behalf regarding Spirit Wear coming soon. They have a local vendor they are working with to see if it will be a good option. They will be rolling out more options and delivering upon ordering. No need to order en masse. May look at

Threadless as Emily has already set this shop up and it includes drop shipping or can order as one shipment sent to the school.

Dodgeball - Adria's committee will take care of this

Spring Festival - Sarah Fitzgibbon will send out a WhatsApp message to look for volunteers as it is generally run by 5th graders and a couple of 5th grade adult volunteers

Lauren Winer - still looking for a co-treasurer

Cindy Crowther - we have met the Fund the Flock goal and we are on track with our budget. Nothing new to report

Emily Esch - Fund the Flock is at the monetary goal, we have 7 more supporters to hit the individual supporter goal. We still have some corporate matches coming in. Things are set up well for the future. She is very happy with the GiveButter site.

Adria Blum - WhatsApp: will remind people again to join through the teacher weekly update emails. Overall it's going well. Not as much activity as she had hoped, but it is building up and there haven't been any negative issues.

Brady Stroup - BVSD Showcase is coming up next week on Oct 22 5-8pm and looking for a couple parent volunteers to come talk to prospective families.

Ashleigh Oranger - Rainbow Garden update: got a quote for \$6,500 for concrete pathway work. Motion and second to vote.. Voted 5 in favor, 0 opposed. The motion passed unanimously.
