

# Blog Program: Volunteer Community Roles

## Community Roles

Our collaborative blog program allows a dedicated team to work together to simultaneously produce content for the Open Library blog. Here are the roles which members of our community can contribute:

## Key Documentation

Welcome Document: A document that provides an introduction and overview of the overall process, goals, and expectations for the blog post creation and publishing.

- Getting Started Guide
- Content Calendar
- Blog Post Summaries
- Content Guidelines
- Collaborative Team Roles
- Blog Post Templates
- Review and Approval Process
- Social Media Promotion Plan
- Documentation Update Log
