REGISTRATION DEADLINE: Friday, September 12, 2025

Friday's workshops will be devoted to building leadership skills and teamwork. This portion of the conference is designed as a place where students and teachers can get together to share ideas about troupe leadership and activities. Friday's conference events include workshops, sharing panels, planning sessions, troupe officer recognition, and bonding time.

Saturday's workshops are designed to develop technical skills for both the technician and the actor. The conference will offer intensive workshops in set construction, rigging, stagecraft, lighting, sound, costuming, and props. Workshops will be led by professionals and teachers who have expertise in technical theatre.

Tech teams from each school should be prepared to perform astonishing feats of: Costume/Quick Change, Construction, Make-Up Design, Audio Engineering, and Emergency Set/Props, Rigging, and Lighting problem solving!!!!

The student fee includes all workshops and Tech Olympics. This is a great conference to kick off the year and get prepared for the other GREAT Nevada Thespian Events! The Conference will be a unique event that provides students with the opportunity to meet and work with others from across the state.

Tech Olympic Events are as follows: Lighting, Sound, Rigging, Set Construction, Costumes, Props & Surprise Event
-Students will have the opportunity to take a workshop to learn & practice their event before competing. Students can choose which area they will compete in. Students are also welcome to take the workshops and not compete, if they choose.

-Students/teachers can get immediate feedback after their event, if they ask.

- **At sign-in, troupe directors will be expected to sign up for a working room assignment. These assignments will be for 3 hours.**

Students may register for Friday only, Saturday only, or BOTH days.
