

Morning. We've had a major event occur in musgov related to doxxing. I thought it fair to prepare a summary for the two of you so you can get up to speed asap.

WHO

Who is involved?

The "Meme Squad".

From what I can gather, the people involved are: Ed, Sevag, Didi, Blake, Stu, bigg-boss, Kerbogha, AJ, rolfeson, rkhan, suleimoncaine, duce, zada, as well as possibly Ben, unironicu2defender, outhron, and avdo.

WHAT

What has happened?

Doxxing. Death threats. Possible swatting.

AJ has revealed this:

https://docs.google.com/document/d/1DWEWgzkutGKNdu0W8D6Yy55DtfPX-2-LZD29MRt_OHw/edit?usp=sharing - In short, a massive amount of the MUSGOV admins have been doxxing their players, quite severely.

WHEN

This broke at 2am last night/this morning.

I woke up very early today and have been following it all morning.

WHERE

Where is this all going? Towards resignations.

All 3 of the triumvirate (didi, sevag, blake) is resigning, along with kerbogha, due to their involvement in this. Didi is gone from the discord. Sevag says he's leaving, and from what I can tell, Ed is still sleeping.

WHY

Why are they quitting? The doxxing etc.

What are they accused of?

Doxxing - they have pretty much confirmed this and admitted it.

Death Threats - players and family of players; also admitted and accepted.

Swatting - This is explicitly rejected, but some people claim to have evidence. I personally doubt this happened, but feel the need to report it.

HOW

How are they reacting?

The mods **know** they fucked up. They accept it and they are resigning.

How should we react?

Q&A from musgov at ~5am

free my rigga boss - Today at 4:33 AM

Let's start with the basics. The triumvirate and head mod are expected to resign tomorrow morning and replacements will be determined by those of us who were uninvolved. This is for them to explain themselves on a public floor.

Allen the POTUS - Today at 4:33 AM

Sevag just rabbled on forever in clerk chat so I doubt he'll want to.

Happy Hanukkah! - Today at 4:33 AM

We will release some of the Sevag stuff tomorrow I guess

Will try to explain tomorrow

but for now lets let Blake talk

A soup can - Today at 4:34 AM

ah jeez, i suppose i shall make a statement then

well um

hello everyone

Sevag - Today at 4:34 AM

you can do this Blake

A soup can - Today at 4:34 AM

well, i joined the group, the "meme squad" around this time last year

the last member to join the original chat infact

i vividly remember my first night there

i joined a voice chat with boss, sevag, riley, oblomov and ed

among the things discussed was stuff about jerry le row, how he was a big fan of the simpsons:
tapped out

just general fun things, or things we considered fun

there weren't any rules there, a lot of things went on that we'd punish other members for in
there, admittedly

among one of the more notable incidents aj noted in the liberal party server was the doxxing of
a prominent sim member (double check me on if i'm allowed to reveal who)

this incident occurred well before my time, but i was familiar with how it came about

other things occurred in there, from minor things that would earn most members here a mute in
the discord, to working with one another to ensure the success of our own

i would however consider myself the least willing participant during most of these activities/plans
i'm confident sevag would corroborate this

took a lot of arm pulling to get me to tag along

whenever there were internal strifes, such as the forcible transfer of server ownership, usually
by petition, i wasn't a willing member at all

yes viktard you are correct

i was definitely complicit, which is enough for me to accept the harshest of punishments

Happy Hanukkah! - Today at 4:43 AM

let Blake say what he has to say

we can ask questions after

it is a Q&A after all

A soup can - Today at 4:43 AM

please don't take this as me seeking forgiveness, i apologize if it comes across that way

to be frank, i really don't care what happens to me in the sim. i personally just wish to move on
with my life

Sevag - Today at 4:44 AM

i'm confident sevag would corroborate this

I indeed can

A soup can - Today at 4:44 AM

there are many certain incidents i could tell you about, but it would be hard for me to process each one to bring out at this moment
in summation, i deeply regret the shock and anger those who had respect for me feels currently.
there isn't an excuse for me not speaking up for what's right.
i will respect the decision of the people of the sim moving forward

Happy Hanukkah! - Today at 4:46 AM

Alright I have a few questions

First to Sevag

Who were the main people involved in doxxing?

Sevag - Today at 4:47 AM

ML doxxed WW like two years ago on Skype

A soup can - Today at 4:48 AM

ML being MoralLesson, WW being WaywardWit

Sevag - Today at 4:48 AM

there wasn't really doxxing going on as much as just finding people posting their images in other chats and just us reposting it in our chat

Happy Hanukkah! - Today at 4:50 AM

yea

What was the extent to which doxxing was encouraged by the other members of the chat?

@Sevag @A soup can

Sevag - Today at 4:51 AM

it was just casual

A soup can - Today at 4:51 AM

if anyone, ed was the one who usually spoke up to advise against doing these kinds of things

David (/u/daytonanerd) - Today at 5:07 AM

@Marxist FluffBoi I'm not fully aware of the extent of who was and wasn't doxxed, considering I wasn't in the group, and only learned of its existence tonight. WW and Evan C (and his father) were definitely doxxed though by the server

free my rigga boss - Today at 5:08 AM

Judah as well

Toasty - Today at 5:36 AM

List of people who we suspect may not have been fully aware/weren't around for the majority of the doxxing and other stuff:

- 1) Duce
- 2) Solomon
- 3) Boris (rolf)
- 4) Jimmiboi
- 5) Hawksteady
- 6) Rkhan

we're still going to be investigating these people, but we have a reason to think they may not have been involved, or involved significantly enough to warrant as severe punishment
