Intentional Evangelism

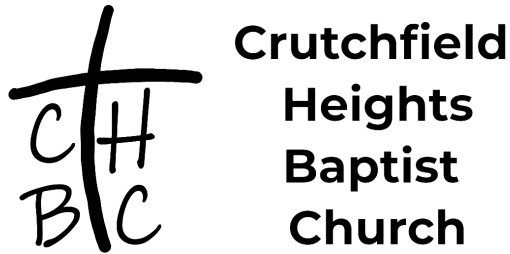

We so often think of evangelism as some kind of program sponsored by the church. It can be, but that wasn't what Jesus said. He told His disciples to "Go and make disciples." The church should support and equip its members to evangelize but, it is up to us to do it. Unfortunately we tend to overcomplicate things. D.T. Niles said "Evangelism is just one beggar telling another beggar where to find the bread." In John 6, Jesus called Himself the "bread of life." Everyone needs Jesus. We should be telling everyone where to find Him. Who do you know that needs some bread?

Discipleship

Start prayerfully thinking about your relationship with Jesus. Is there something holding you back? What would help you grow? We would love to come alongside you to help.

Sign Design

The proposed design for the new sign is below. Check it out and let us know what you think.

www.CHBCSherman.org

600 S. Dewey Ave.

Building & Grounds

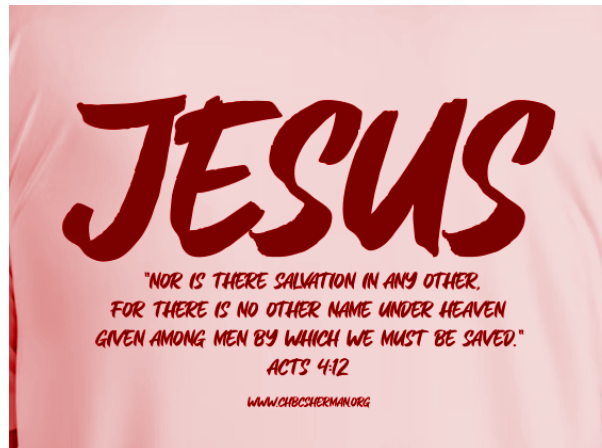

Construction continues. Thank you to all who have joined us in working on the facilities God has blessed CHBC with. We will be discussing our options for the baptistry and stage in our next business meeting.

All buildings now have smart thermostats in an effort to make our facilities more energy efficient. Thank you to everyone that donated.

The pastor's study is being cleaned out in preparation for our War Room.

T-Shirts

We are looking into getting some CHBC t-shirts made for our upcoming community service/outreach projects. This is the only proposed design we have so far.

If you have any ideas for designs or are interested in getting one, please let us know.

Fall Festival

Initial planning has started on a fall festival later this year. We're hoping to have it sometime in September through mid-October. Let us know if you would like to help us plan this event. We'll be putting out a sign up sheet for volunteers once a date is set.

Wednesday Night Bible Study

We're finishing up the book of Revelation this month. It's been eye opening as we have dug into the times to come. We eat some great food together then start digging into the word. We would love for you to join us as we start our next study.
