Jobs

Did you apply for the Right Track internship? You should be receiving instructions by email about your next steps.
YJ2 emails went out Tuesday.

1. You must fill in your YJ2 Pre-Employment Orientation (link in email)
2. Attend Career Exploration Day on Nov. 13 from 1-3pm at Oxford Community Center.
3. You also need to sign up for your YJ2 interview. Link in email. The interviews will be at Central or Johnson on Wednesday, Nov. 18. Also, upload your resume to your profile.

If you applied for **YJ1**: check for an email.

1. Attend Career Exploration Day on Nov. 13 from 1-3pm at Oxford Community Center.

If you applied for **3M STEP**:

1. Attend the 3M STEP Orientation on Monday, November 9 at Arlington Hills Community Center (1200 Payne Ave) at 4:30. You must register for this. The registration link is in your email.
2. 3M STEP applicants ***are not*** required to go to the Career Exploration Day at Oxford Community Center.

30K Feet is looking for Tech Geeks! If you are interested in coding this would be a great job for you! Here is the application. Here is the flyer to learn more.

Career Pathways at Johnson

Target is hiring for seasonal workers! See website here. See me for help.

Youth Basketball Scorekeeper for City of Saint Paul- check it out here.

Swim Instructor at Foss. Check it out here. Must be 18+

Earn as you learn is a great way to explore careers, get certifications for professional careers and to make some money. It is almost all virtual and on your own time. You will work on your own to complete some certifications. If you do all that is required you can pick from a $100 gift card to either Amazon or Target. Most people have to pay to get these certifications, you can do it for free and you can get paid. See more on the slides here. Here is a chart to learn more about the individual certifications. These are for all students, 9th through 12th grades.

St Paul Parks and Recreation is looking for Umpires/Referees! 14+. See here.

ACR Homes will hire 16+, working with adults with intellectual disabilities. They will create an internship for you that will help you attain certificates, or other accreditations that match what the employee wants. The first step is getting the job. They are not in Saint Paul, but in all the surrounding suburbs (Woodbury, Maplewood, Roseville, etc.) They want you to have a drivers license.

AVID needs Tutors! If you are interested in this please see the flyer! You can also speak to Ms. Melody Nelson! In the past we have had students at Farnsworth Upper and here in the building.
