San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Allen L.

Tutor

**Winner of 2020 Distinguished Volunteer Award
Winner of 2024 The First Internship Award**

San Antonio Math Include

Allen is part of the Class of 2026 at the University of Texas at Dallas. He likes biology and chemistry, but math is definitely close after. Math has always been important in his life as he has done MATHCOUNTS and UIL before and done successfully in those extracurriculars, including wins at state. He also went to Science Bowl nationals just last year. He has other hobbies such as basketball, football, and video games. But the primary reason why he joined SaMI was to help and educate young minds way before he could've had the chance at his age. SaMi provides a new opportunity for young ones no matter what and is a new platform for learning.
