Panel 7: MEDIUM SHOT He is going in the hallway.

[The side I normally step out of bed is next to the railing]

[I know what you're thinking... I should just move the bed over]

PAGE 3

Panel 1: ESTABLISHING SHOT We can see how the room is done, with the loft bed, a wardrobe on the long side, a small piece of furniture near the bed, a very narrow bookcase and high up to the roof and a desk, all not entirely in order, a couple of clothes are piled up on the desk chair.

[Well, due to the rectangular shape and the steps,
the only way I can place my bed is next to the railing...]

[That happens to be as tall as my bed...]

Panel 2: Damian is walking in the hallway, we can see some closed doors, and some paintings on the wall.

[Don't get me wrong, I LOOOVE my bed, the design of it, how it feels,
and how I can lay directly under my sunroof due to it.]

[BUT...if I keep falling like this I will break my arms and legs]

Panel 3: FULL FIGURE He walks back up the steps to the bed.
