NAAC Cr 3.1 Resource Mobilization for Research

Grants received from Government and non-governmental agencies for research projects / endowments in the institution during the year 2025-26:

The institution has **not received** any research grants or endowments from government or non-governmental agencies during the assessment period.

3.1.1: Total Grants from Government and non-governmental agencies for research projects / endowments in the institution during the last five years (INR in Lakhs)

Year	2025-26
Number	0

Mobilization of Institutional Infrastructure Support

The institution is a premier undergraduate college, primarily focused on academic excellence in Computer Applications and Commerce. While no external monetary grants were received during the current assessment period, the college proactively mobilizes its internal infrastructure—including the ICT Laboratory, Digital Library (N-LIST), and Campus Wi-Fi—to support the research activities of faculty members and PhD scholars.
