

Privacy Policy for QuickFixi

Last Updated: May 18, 2026

Welcome to QuickFixi ("we," "our," or "us"). We are committed to protecting your personal privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our QuickFixi mobile application, which operates under the package name **com.revatismartsolutions.quickfixi**.

1. Information We Collect

To provide efficient home and technical services, we may collect the following types of information:

- **Personal Details:** Name, phone number, and contact information when you register an account.
- **Location Data:** Approximate or precise location data to connect you with nearby service providers and technicians.
- **Service Information:** Details regarding the domestic services, repairs, or technical fixes you request through the app.

2. How We Use Your Information

The information collected is strictly used to:

- Facilitate instant service booking and connect users with local verified technicians.
- Track the status of your requested services in real-time.
- Improve our overall app UI, performance, and user experience.
- Maintain security and verify user identities.

3. Data Protection and Firebase

We use Google Firebase cloud services to securely store and handle user data. All information transmitted through the application is encrypted and shielded from unauthorized third-party access.

4. Changes to This Privacy Policy

We reserve the right to update this Privacy Policy from time to time to accommodate future multi-language enhancements, updates, or operational modifications. Users will be informed of any significant modifications via an in-app notice or update.

5. Contact Us

If you have any questions regarding this Privacy Policy or your data, please contact Revati Smart Solutions support.
