NOMINATION FORM FOR GLOBAL ENERGY PRIZE 2026

Please provide the information required and return this form to Strategy-UKM **by March 31, 2026, in word document format**. Strategy-UKM will submit the form to the organizer as this award does not recognize self-nominations and nominations must be made by the university.

STEP 1: NOMINEE'S INFORMATION

First Name	
Middle Name	
Last Name	
Date of birth	
Gender	
Country	
City	
Organization	
Position	
Scientific Title	
E-mail	
Phone	
Honors/Awards Received **Please list down the honors/ awards.**	( ) Yes, I have received honors/awards. 1. 2. 3. .. .. ( ) No, I have not received honors/awards.

STEP 2: NOMINEE'S EVIDENCE

Field of study **Please choose (/) one category only.**	( ) Bioenergetics ( ) Efficient energy storage ( ) Efficient energy use ( ) Electric power industry ( ) Energy transportation ( ) Exploration, production, transportation and processing of energy resources ( ) Fuel cells and hydrogen energy ( ) Heat power industry ( ) Management (new ways of energy application) ( ) Management (non-traditional energy) ( ) Management (traditional energy) ( ) New materials used in modern energy engineering ( ) Nuclear energy ( ) Renewable energy
What should you get the Global Energy Prize for? **Please provide clear wording and use a <u>third person grammatical</u> style of writing.**	*The nominee should be awarded for research and development in…*
Please provide examples of possible applications of your research/technology. **Please provide clear wording and use a <u>third person grammatical</u> style of writing.**	*The nominee's research/technology….*
Please provide a cover letter signed by HOD / Director / etc (Letter of motivation specifying the significance of candidate's research/ technology contribution to the energy sector). **Share the link to the cover letter (pdf format) uploaded in a Google Folder. Please set the access to 'Anyone with the link' to make sure it can be viewed and downloaded.**	Link:

List of publications (For scientists, list of most remarkable publications (20-50), h-index, amount of publications. For managers, list of links to articles from respectable sources (15-20) proving your contribution to the energy development). **Share the link to the list (pdf format) uploaded in a Google Folder. Please set the access to 'Anyone with the link' to make sure it can be viewed and downloaded.**	Link:
Additional materials (candidate's CV, biography etc.) **Share the link to the materials (pdf format) uploaded in a Google Folder. Please set the access to 'Anyone with the link' to make sure it can be viewed and downloaded by the organizer.**	Link:
End of Nomination Form. Thank you.
