Like I'm Derpy Hooves and you gonna get it together  
Cause I'm goin' crazy and droppin' anvils like the weather  
And you think that I'm nuts, and I don't really give a cuss  
There you go, kiss me now, ha ha ha!

Bubbles on my butt, muffins yeah! woo! woo! woo!  
Like I don't really know what I'm talkin' 'bout too  
Derpin' derpin' derpin', eyes are crossed, la la la la la  
Is it north? Is it south? lala lala woo woo!
