6450 E. Serrano Ave  
Anaheim, CA 92807  
Phone: 714.997.6169 | Fax: 714.921.0584

Good evening, Panther Families!

This is Mrs. Tippets calling with your Panther News for the week of March 2nd.

 Read Across America Week is here! [Read Across America Week Flyer](#)  
March 2nd–March 6th we'll be celebrating our love of reading all week long. Join in the fun by participating in our school spirit days and showing your Panther pride. Let's fill our campus with stories, imagination, and lots of school spirit!

 Important Dates for Parents: [2025-2026 Student Calendar](#)  
Tuesday, March 10th marks the end of the 2nd trimester and is a minimum day. We will follow our modified Wednesday schedule, so please plan accordingly.

 CARES Registration Reminder: [CARES Registration flyer for fall](#)  
Registration for the 2026–2027 school year begins Monday, March 2nd at 9:00 a.m. Be sure to act quickly to reserve your spot.

 Panthers, get ready to think big! [PTA Science Fair](#)  
The PTA Science Fair is coming, and it's your time to shine! This incredible opportunity, created by the Orange Unified Council PTA, encourages hands-on scientific thinking, creativity, and discovery—and every AHES student is eligible to enter!

Here's how it works:

- ◆ Students may enter individually or team up with up to three students.
- ◆ Each student may enter one project.
- ◆ All projects must be submitted online by March 13.

This is your chance to experiment, explore, and maybe even invent something amazing! Winning projects from each grade level will be announced on March 27th, and those winners will move on to the next level of judging. Winning entries from across OUSD will then be judged and proudly displayed at Community Science Night at Santiago Canyon College on Friday, April 24th. What an exciting opportunity to showcase your hard work to the entire community! [PTA Science Fair](#)

 Looking Ahead: Career Pathways in OUSD

While Career Technical Education pathways officially begin in middle and high school, it's never too early to start exploring interests and future possibilities. Families are invited to attend the OUSD Career Technical Education (CTE) Parent & Student Information Night on March 4th from 5:00–6:00 p.m., with both in-person and virtual options available at the District Office in Building H. Learn how OUSD connects classroom learning to real-world careers through hands-on experiences and industry certifications. <https://bit.ly/OUSDCTE0304>

So excited to announce our newest members of the 1 Million Word Reader Club! Congratulations to Lyllian W. (5th), Abigail T. (6th), and Anthony Castro (6th)! Way to go readers!

Finally, please be sure to check the follow-up email for important family resources and flyers mentioned in this message. Thank you for your continued support. Have a wonderful weekend, Panthers!

### **Family Dinner Time Table Talk Questions**

Who is a character from a book you admire? What makes them special?

If you could write a book, what would it be about?

What makes our home/community a great place to learn and grow?

### **Important Family Resources**
