Getting started with:

Let's face it. We all need to work on improving our writing skills. Grammarly is here to help! Create your Grammarly account today, Baldwin!

1. Using a Google Chrome browser, log into your BHS Google Account.

To Create Your Account:

1. Go to grammarly.com/enterprise/signup
2. Provide your name, @baldwin.k12.hi.us email, and set up a password.
3. Check your inbox for the email and click on the activation link.
4. Apply the access code X8sQiafofgwLJICS

If you already have a free account, you would need to log out and log in again at grammarly.com/enterprise/signin.

Download the Apps

To make sure you get the most out of Grammarly, we have some additional helpful features for Microsoft Word, Internet browsers, emails, and the desktop! You can find all Grammarly products listed at https://gram.ly/HSJ9

This is the account you will use to submit your research papers to check for common writing errors and plagiarism.

4.Once your account has been created, and you have applied the access code, click on the "Apps" section on the far left and install "Grammarly for Chrome." Follow the steps as outlined.

This is the feature that will give you real time feedback on your grammar and spelling in EVERYTHING you type online while you are logged in and using Google Chrome! Additionally, you'll get a personalized email each week that shows you areas that you need to work on.

If you keep those tips in mind as you write, over time you should begin to see improvements in your writing! Better writing equals getting better grades, creating better college/scholarship essays, developing better resumes, securing better jobs … and the list goes on. Sign up today!
