

THE FINAL VERDICT

[Round 1]

Joe: "And there's the bell! Round one is underway and—oh boy—Laura Marano's already jawing at Dove Cameron from across the ring! You can hear her from here, Jon. I think she just called her shot. Did Laura just call Dove a cheap plastic doll? That's confidence... or pure arrogance."

Jon: "That's Laura for you. She thrives on getting in her opponent's head early. Dove's trying to stay composed though—she's circling, staying light on her feet."

Joe: "Laura flicks a middle kick! Just misses Dove's chest—whoa, that could've been trouble if it connected! Dove's lucky that one just grazed air."

Jon: "Yeah, Laura overcommitted there. Poor setup—Dove saw it coming a mile away. Here comes the counter—solid low kick from Dove Cameron! Beautifully timed!"

Joe: "Laura checks it! That's smart defense, Jon. She's not gonna just let Dove chop her legs all night. Laura's always looking for that perfect counter shot."

(Clock: 0:20 in the first round)

Jon: "Oh—look at this! Laura dives in and grabs Dove's hair! She's got a handful of it! Tries to toss her down—"

Joe: "Dove rips her head free! Laura's left holding just a few strands! And listen to Dove—'Leave my hair alone, you psycho bitch!' That's raw emotion right there. These two *hate* each other, Jon!"

Jon: "No kidding. But Dove's not done—she's countering! Quick low kicks, snapping like whips!"

Joe: "She's punishing Laura's legs! Those kicks are nasty—each one echoing through the arena! Laura's gotta move or she's gonna be limping by round two!"

Jon: "Here comes a hook from Dove—it glances off Laura's arms. Nice defense from Marano. She's weathering the storm."

Joe: "And Laura fires back! A couple quick shots—but nothing lands clean. Either bad aim or Dove's head movement is just that sharp."

Jon: "There's a solid leg kick from Laura—Dove checks it beautifully again. Cameron's reading her like a book right now."

Joe: "Laura tries a hook to the body, but Dove slips it! She's looking to make her pay—oh! Here it comes! Dove unleashes a flurry—a brilliant combination!"

Jon: "Laura's on her heels—but man, her reflexes are saving her. Great defense! She's dodging by inches, Joe. All that boxing training under Daniela Hantuchová is paying off!"

Joe: "Laura fires back—a looping right! Just catches Dove on the guard. Dove snaps back with a jab of her own—lands clean! Great exchange! Both women are showing fire early in round one! No backing down from either of these two tonight."

Jon: "Yeah, neither giving an inch. Dove's confidence is palpable, but Laura's grit—you can see it in her eyes. This is gonna get heated fast."

Jon: "Laura steps forward—low kick incoming!"

Joe: "Dove reads it perfectly, blocks it clean. Great composure from Cameron. She's not about to let Laura dictate the fight."

Jon: "Now Dove responds—sharp, straight jabs. Technically sound, crisp shots right down the middle. That's textbook striking."

Joe: "Laura answers back with a strong right hand! That landed and you can bet Dove felt that one. She's starting to find her rhythm now, outboxing Dove in this brief exchange."

(Clock: 1:45 in Round 1)

Jon: "Marano's turning up the pressure. She's got that kind of strength that can overwhelm you if you let her set the pace."

Joe: "She's firing off a series of low kicks—but none of them are landing clean. Timing's still a little off, and Dove's movement is giving her trouble. Laura's got to get Dove up against the cage."

Jon: "Cameron capitalizes immediately—beautiful combination! Those punches are connecting, forcing Laura back to the defensive. This is high-level striking from Dove."

(Clock: 2:10 in Round 1)

Joe: "Dove throws another quick combo—Laura tries to answer, but both fighters miss. Great head movement and footwork from both sides."

Jon: "Laura goes low again with that kick, good idea, but Dove blocks it effortlessly. Cameron’s confidence is showing—she’s controlling the tempo now and Laura is looking a bit frustrated."

Joe: "Laura backs up and tries to reset, but Dove steps in—sharp punches from Cameron, and Laura stays composed, blocking well. Two fighters matching each other move for move right now. This is what we expected. Both women are feeling each other out."

Jon: "Laura steps in with a low kick—good intent there."

Joe: "But Dove blocks it easily, completely unfazed. That’s solid defensive awareness. Cameron’s starting to read Laura’s rhythm."

Jon: "Laura resets, but she’s a little off balance. Dove capitalizes—sharp punches from Cameron!"

Joe: "And Laura meets them with great defense, absorbing and deflecting most of those shots. Both fighters are showing skill and poise."

Jon: "Laura’s fully focused now. She spots an opening—fires a big right hand!"

Joe: "Dove slips just in time—excellent head movement! She’s seeing everything Laura’s throwing at her."

Jon: "Cameron looks to answer—low kick connects clean to the thigh, but Laura takes it well and looks ready to counter. She’s constantly hunting for that window to strike back but Dove isn’t giving her anything yet."

Joe: "Dove adjusts her stance, looking for angles—throws a few probing jabs, but Laura fires back. Nice exchange there. The crowd is eating this up."

Jon: "And now Dove strings together a quick combination—those punches land! Laura eats a few solid shots, but she’s still standing strong."

Joe: "Inside leg kick from Laura—clean hit! That landed with a heavy smack."

Jon: "Dove answers with one of her own—but she overextends and nearly loses balance. She’ll have to watch her footing; can’t afford to get sloppy here or Laura will be all over her."

Joe: "And now Dove closes the distance—looks for the clinch! She presses Laura against the cage, locking in that tight Muay Thai plum!"

Jon: "Heavy pressure here. They’re chest-to-chest, battling for position. Dove tries to drive a knee up high—"

Joe: "—but Laura blocks it beautifully! Great awareness from Marano. She immediately looks for a counter opportunity."

Jon: "Dove fakes a level change—almost goes for a shot, but she pulls back just in time before walking into a potential knee. Smart adjustment."

Joe: "Laura fires a low kick of her own—clean connection again! Dove’s right leg is starting to redden from those impacts."

Jon: "Laura’s striking with real intent now—another fast low kick, perfectly timed! That one definitely hurt Cameron’s lead leg."

Joe: "You can see Dove’s movement slow slightly—her leg might be compromised. That last kick hyperextended the joint a bit. She’s got to protect that leg or maybe switch up her stance."

Jon: "Dove shoots in for a double-leg takedown!"

Joe: "Laura sprawls—stays on her feet! tremendous balance from Marano."

Jon: "Dove slips off to the side and Laura immediately looks to capitalize—she’s trying to take the back!"

Joe: "She’s thinking rear-naked choke! Can she secure it—no! Dove ducks under, powers out, and pushes her away. Fantastic defensive reaction. What an exchange!"

Jon: "Laura opens up with a sharp combination—clean, technical striking on display here."

Joe: "But Dove’s defense is holding strong. Great head movement—she’s slipping and weaving through those punches like a veteran."

Jon: "Laura's really finding her rhythm though, moving fluidly around the cage. She looks composed, confident—like a seasoned pro out there."

Joe: "And Dove's matching her pace—bobbing, weaving, staying elusive. Both fighters are showing high-level conditioning here late in the round."

Jon: "Laura fires another straight punch!"

Joe: "Deflected! Excellent reaction by Dove. She's still reading those shots well."

(Clock: 4:20 in Round 1)

Jon: "Laura goes low with that kick—good technique, but Dove blocks it clean again. Total composure from Cameron."

Joe: "You can see a little smirk there from Dove—she's confident, maybe even a little too relaxed as the round winds down."

Jon: "Both fighters step in—wild exchange! They're trading freely now, neither landing anything major, but you can feel the tension rising."

Joe: "Dove fires back with a powerful low kick—excellent torque behind that one—but Laura checks it nicely. Great timing and control."

Jon: "Laura answers immediately—oh! A straight left hand that had real power behind it!"

Joe: "Dove ducks under at the last second! That could've been dangerous. Incredible awareness from Cameron."

Jon: "Laura stays aggressive—another heavy low kick attempt, but Dove blocks it again. Both women staying disciplined even under pressure."

Joe: "And there's the horn! Referee Autumn Reeser steps in to separate them as the round ends. Look at that—neither wants to back down, still jawing at each other on the way to their corners."

Jon: "That was a really close round. Both fighters landed clean, both defended smart. Hard to tell who actually edged it out—judges could see it either way."

Joe: "Yeah, there's still a little feeling-out going on between them. Dove's using her footwork beautifully—those counters are sharp. Laura's focusing on those leg kicks, trying to slow Dove down."

Jon: "And once she does, you can bet Laura's going to start ripping to the body. But right now she's just a step behind—Dove's range management is on point."

Joe: "So are we calling it even? Neither woman really imposed her game plan yet."

Jon: "I'd give the slight edge to Dove—10-9 on activity and precision."

Joe: "Could be. Personally, I think Laura's leg work might have swayed a judge or two. Close round either way."

[Round 2]

Jon: "Round two is underway—Laura opens up right away with a combination!"

Joe: "Dove fires back, but neither lands clean. They're both testing range early here, trying to establish control."

Jon: "Laura presses forward—throws a hook and connects! That was a solid shot to the ribs!"

Joe: "That one definitely landed, Jon. You could hear the *oomph* from here. Laura's finding her range."

Jon: "Dove responds with aggression—she's swinging big now, really trying to shift the momentum."

Joe: "Laura senses it, though—she backpedals, keeps her distance. That's veteran awareness, using movement to reset the pace."

Jon: "You can feel the crowd feeding off Laura's energy tonight. She's confident, composed, and showing her full arsenal."

Joe: "Laura grabs Dove's left leg—she's looking for the takedown! Tight grip here, but Dove shows great balance, pushing her away and staying upright. That's core strength and balance on display."

Jon: "Dove fires back with a big right hand—oh, that one just missed! She overextended here."

Joe: "And Laura spots it immediately—goes for a front kick! But Dove blocks it clean. Great reaction, staying composed under pressure."

Jon: "Now Laura goes high—spectacular head kick attempt!"

Joe: "And Dove deflects it! Perfect timing and control. That was dangerous—if that connected, we might be talking knockout."

Jon: "Dove tries to return fire with a body shot—Laura slips away. These two are reading each other so well right now."

(Clock: 1:15 in Round 2)

Joe: "Laura's slowing just a bit—she takes a deep breath."

Jon: "She fires off a series of low kicks, but none of them land clean. Looks like her accuracy's dipping a little here, Joe. Laura goes for another high kick—risky move!"

Joe: "Blocked again by Dove! That could've ended things if it landed flush. Laura might have the strongest legs in her division."

Jon: "Dove sees her moment—steps in and delivers a heavy low kick of her own!"

Joe: "That landed hard, Jon! You can hear that slap echo through the arena. Laura felt that one for sure, but she's still standing strong."

Jon: "Dove steps in—big hook to the body!"

Joe: "That landed hard on Laura's ribs. You can see the impact ripple through her torso—those shots take the wind out of you fast."

Jon: "Cameron presses forward, following up with a low kick—ouch! Heavy contact to Laura's left thigh. That's going to sting for the rest of the round."

Joe: "Laura's trying to stay composed, though—she blocks Dove's next punch nicely, showing good defensive awareness."

(Clock: 2:05 in Round 2)

Jon: "We're watching two extremely conditioned athletes go toe-to-toe here. Neither one giving ground—this fight's turning into a real technical showcase."

Joe: "Dove looks to press again, but Laura slips to the side—nice evasion, then fires a couple of quick jabs just to keep Dove honest."

Jon: "Dove's feinting now—trying to draw a reaction. There it is—a sudden high kick aimed right toward the upper body!"

Joe: "That lands solidly on Laura's chest! Big connection from Cameron—Laura definitely felt that one. She's backing up, trying to regroup."

Jon: "Dove's pressure is starting to show, Joe. She's dictating range and pace right now. Laura needs to up her game."

(Clock: 2:15 in Round 2)

Joe: "Absolutely. The work Cameron's done in the gym is paying off—she's faster, sharper, and those low kicks are vicious. Dove is beating Laura at her own game here."

Jon: "She's chopping away at Laura's legs again—multiple strikes landing clean. You can hear every one of those kicks echo in the arena!"

Joe: "Laura answers back with a low kick of her own, but Dove blocks it easily. Cameron's defense is locked in right now, and she's looking confident."

(Clock: 2:40 in Round 2)

Jon: "Dove throws a quick combination, trying to build momentum—nothing landing clean this time though."

Joe: "And that gives Laura a chance—she fires back with a counter hook! It grazes Dove’s arms, not much damage, but the intent is there. She’s still dangerous, and still has that KO power."

Jon: "Both fighters showing grit and skill in these exchanges. Neither backing down—this is shaping up to be one of the best rounds so far."

(Clock: 3:40 in Round 2)

Joe: "Laura throws a lazy punch to Dove’s midsection... and it just misses! Cameron steps away effortlessly."

Jon: "Dove’s looking for her opening now—she’s moving like a cat!"

Joe: "Oh! Dove fires a furious low kick... and Laura checks it cleanly. Beautiful timing from Marano there."

Jon: "Now they’re trading wild punches! Both swinging, but it’s all air so far. This isn’t quite the clean striking we hoped for."

Joe: "Laura steps in with a high kick!"

Jon: "Blocked solidly by Dove! Look at that glare—she’s saying, ‘No way, Laura.’"

Joe: "Dove’s controlling Laura’s right leg now... trying to force her down. And there she goes—Laura loses her balance and hits the canvas hard!"

Jon: "You can see the pain on Laura’s face, Joe. That arm might be tweaked badly."

Joe: "And now Dove moves to side mount... sliding that knee across. She’s getting full control!"

Jon: "Full mount! Dove’s on top, chest-to-chest, and she’s attempting a kimura! Laura’s scrambling... she slips out! That was risky for Dove."

Joe: "Laura’s back in closed guard over Dove... she’s trying to improve her position but nothing’s sticking. Dove’s ready to counter."

Jon: "Dove shifts around, positioning herself... wait—headbutt! That’s nasty, Joe!"

Joe: "Yeah, a brutal strike from Dove. The ref didn’t catch that one."

Jon: "Cameron’s catching her breath now, and she goes for a hammer punch to Laura’s chest... That lands! Laura’s moving to protect herself on the ground, but Dove’s staying dominant."

(Clock: 4:45 in Round 2)

Joe: "Laura’s in closed guard now over Dove... Cameron’s throwing a few weak punches, but Laura’s blocking them easily. Dove needs more power behind those strikes!"

Jon: "Absolutely, Joe. Laura’s looking calm and measured—she’s not just defending, she’s plotting her counter."

Joe: "And here she comes! Laura shifts on her knees, breaking Dove’s posture and bringing some real pressure. BIG hammerfist from Laura!"

Jon: "Ooh, that landed solid! Dove’s breasts took a clean hit—she’s leaning back to protect herself. Laura’s not holding anything back and everyone knows how much damage she can cause working the breasts!"

Joe: "Dove tries a hammer punch now... but Laura anticipates it and blocks perfectly. She’s showing serious defensive skill here."

Jon: "Laura’s moving to improve her position, she’s sitting higher now, keeping Dove flat and attacking her breasts with short, punishing shots. Every strike is testing Dove’s guard."

Joe: "Dove tries another hammer... she connects a little, but Laura adjusts immediately, redirecting the force. That’s smart ground control from Marano."

Jon: "Wait a second—looks like Dove’s going for something illegal, trying to wedge her hand in between Laura’s thighs!"

Joe: "Whoa! That’s not legal! The ref didn’t see it... Laura’s just sitting tight, shrugging it off. That’s disciplined composure from her."

Jon: That was a desperate move on Dove’s part. You can bet she didn’t like those breast shots by Laura.

Joe: I’m telling you, Jon. Laura is a master at it. She works the whole body including the breasts.

(Clock: End of Round 2)

Jon: “And that’s the end of the round! Laura definitely made her presence felt on the ground.”

Joe: “She’s heading back to her corner now, running her fingers through her hair and looking confident. That round was all Laura—no question about it.”

Jon: “Laura’s sending a clear message to Dove that she’s not backing down tonight!”

Joe: “Dove needs to make some adjustments—keep her distance, use that jab, and work those legs to slow Laura’s pressure.”

Jon: “Exactly. She can’t let Laura close the distance or get back to her body again. Another round like that could spell trouble.”

Joe: “Laura’s got the momentum right now. Let’s see if she can keep it rolling in the next round.”

Jon: “What an incredible round! Both women left everything out there—pure determination from start to finish.”

Joe: “Yeah, Jon, that was another tough one to score, but I’m leaning toward Laura. You finish the round like that—strong combinations, forward pressure—and you leave the judges thinking you took it.”

Jon: “I hear you, Joe, but if we’re being technical, Dove might’ve edged it. Her counters were clean, her footwork sharp. The judges have their work cut out for them.”

Joe: “Still, Laura found her rhythm to the body, and that could spell big trouble for Dove going forward.”

Jon: “Absolutely. You could see Dove wince on those last few shots to the chest. Say what you want, but Laura’s targeting is perfectly legal—and honestly, it’s smart. That kind of pressure breaks rhythm and confidence.”

Joe: “True, but Laura’s going to have to start checking those kicks. Her thighs are a mess—purple and swollen already. If she doesn’t adapt, Dove’s going to chew up those legs.”

Jon: “And on the other side, Dove’s midsection and chest have taken some serious damage. Laura’s a master at using body attacks to throw her opponents off their game.”

[Round 3]

Joe: "Laura comes out swinging with a middle kick! Dove blocks it with her arm—what a loud impact!"

Jon: "That had to sting, Joe! Dove’s feeling that one already, that could affect her striking."

Joe: "Lightning fast low kick from Laura! She’s showing incredible speed and precision!"

Jon: "Dove checks it well, keeping her balance. Both women are trading now, but it’s Dove starting to find her range."

Joe: "Here comes a looping right from Dove while Laura fires a quick jab! That lands! But Laura shrugs it off and counters with a stiff cross! Both fighters looking sharp here."

Jon: "Dove’s going for a Superman punch—screams as she throws it! Laura steps back just in time... she’s lucky there, Joe!"

Joe: "Laura’s not backing down though—front kick blocked by Dove, but she’s pressing forward. And—BAM! A straight right from Laura catches Dove’s chest! Dove’s not liking that, Jon! She has a few choice words for Laura."

Jon: "Ooh, she’s wincing, but Dove recovers fast! This is a real test for Cameron, shie s getting tagged but she’s not letting it slow her down."

(Clock: 1:40 in Round 3)

Joe: "Dove’s on the attack now, launching a furious flurry of punches—Laura’s in trouble! Laura’s in trouble! Those hits are relentless!"

Jon: "But look at Laura’s counters! A solid leg kick, then another low kick—she’s making Dove respect her movement and defense!"

Joe: "Dove fires back, pushing forward with more jabs, then a low kick—Laura blocks that clean. Both are feeling each other out, testing every opening."

(Clock: 2:50 in Round 3)

Jon: "Dove attempts a sweep single! She catches Laura’s ankle and trips her to the mat! Slick takedown, Joe!"

Joe: "Laura lands hard on the canvas—rib shots already coming in. She’s going to have to dig deep to recover from this."

Jon: "Dove moves into closed guard over Laura... Now she’s working her position carefully. Laura tries to roll, but Dove keeps her grounded with strong leg control."

Joe: "Laura sees a chance! She grabs a handful of Dove’s hair and wraps her legs for a headscissor attempt! Could this turn the tables?"

Jon: Ohh Dove is in BIG trouble, Joe! Laura locks her ankles and the pressure looks unbearable!

Joe: “Laura’s thighs are like steel cables, Jon! Look at Dove’s face—she’s turning bright red! That pressure around her neck and jaw has to be excruciating. I don’t know how much longer she can last in there!”

Jon: “Laura’s adjusting her position—rolling to her side, twisting Dove’s head at a brutal angle! That’s precision, that’s control! Dove’s trapped and the crowd is roaring!”

Joe: “Dove’s trying to roll but Laura’s got her locked down tight. Oh my! Laura grabs a handful of hair—she’s yanking Dove in closer—and now she’s arching her back, lifting her hips off the mat! The pressure must be insane!”

Jon: “The referee dives in, ready to step in at any second! Dove’s arms are flailing—she’s desperate! She wedges her hands between Laura’s thighs, trying to pry them apart—she’s fighting with everything she’s got!”

Joe: “Unbelievable! She’s doing it—Dove is forcing Laura’s legs apart, inch by inch! The strength, the willpower—she’s surviving pure agony right now!”

Jon: “That’s championship-level grit, Joe! Most fighters would’ve tapped ages ago, but Dove Cameron powers through it! Still... those thighs from Laura Marano? Absolutely elite.”

(Clock: 4:35 in Round 3)

Joe: "Dove now in full mount—she’s raining down elbows and hammer fists, testing Laura’s defense over and over!"

Jon: "Laura’s trying to work her way up, but Dove keeps her pinned. Every strike lands; this is brutal control. What a turn around!"

Joe: "She shoves Laura back, preventing any escape. The *Dove Cameron Stable* fans are loving this—Dove has come back and is dictating the pace now!"

(Clock: 4:55 in Round 3)

Jon: "Referee Autumn Reeser calls for both fighters to stand. Dove and Laura get up, catching their breath. Dove’s wiping sweat, while Laura runs her fingers through her hair—she’s still dangerous!"

Joe: "Dove immediately looks to grapple, driving Laura forward with double underhooks. Strong positioning!"

Jon: “And that’s the round! Laura takes it with superior ground control and effective strikes. She walks calmly to her corner, taunting Dove with confidence!”

Joe: “Laura may have won the round, but Dove’s not about to give in. Breaking out of that headscissors was impressive—real display of grit and awareness.”

Jon: “So Laura’s up two rounds to one. What does Dove need to do to even things up?”

Joe: “Sharp jabs! Dove’s got the faster hands, Jon. She’s keeping that distance perfectly—if she can maintain this range, she can pick Laura apart all night long!”

Jon: “Absolutely. But Laura’s sticking to her game plan—close the gap, get inside, and brutalize that body. She wants to drag Dove into a phone-booth fight and wear her down from the inside out.”

Joe: “And if Laura manages to lock on another scissors, Jon—it could spell the end for Dove. We saw what happened last time; that nearly shut the lights out.”

Jon: “Way too close for comfort, Joe. I still can’t believe Dove fought her way out of that hold. That was pure grit—just refusing to submit. Amazing heart from Cameron!”

[Round 4]

Joe: "Dove Cameron opens the round with a vicious low kick! That one lands right on Laura’s thigh—oh my, that had to hurt!"

Jon: "She’s punishing those legs, Joe. Another one—hard as lightning! Laura’s wobbly butt and barely staying on her feet!"

Joe: "Yet somehow she keeps coming forward! She’s showing unbelievable heart here."

(Clock: 0:35 in Round 4)

Jon: "Laura finally tags Dove with a sharp hook! Dove staggered back into the cage—this fight is swinging now!"

Joe: "Laura smells blood, Jon! She’s unleashing a relentless assault—body punches, knees, kicks—Dove’s under a storm of attacks!"

Jon: "Dove’s reeling! That bodywork is brutal, Joe! She’s back up against the cage and Laura has her trapped!"

(Clock: 1:15 in Round 4)

Joe: “Shot to the belly! Oh no—Dove folds over, gasping and clutching her stomach! That one sank in deep, Jon—she’s in agony!”

Jon: “Laura’s not hesitating—she’s on her instantly!”

Joe: “Laura mounts her—this is brutal! Hammerfists crashing down, one after another! Dove’s trying to cover up but she’s taking heavy damage! Every shot’s thudding into her ribs and chest—this is a full-on ground assault!”

Jon: "Dove’s trying to tie Laura up—hands and legs tangled! She’s fighting desperately to catch her breath!"

Joe: "Laura’s not letting up, Jon! Those elbows and body shots are unrelenting, but Dove’s using that guard to defend!"

(Clock: 1:50 in Round 4)

Jon: "Dove is on the defensive now, Joe—she’s on her back, covering up, just trying to survive!"

Joe: "Laura keeps targeting Dove’s chest—those shots are landing, and you can see the damage! Dove’s breathing hard, but she’s still fighting back!"

(Clock: 2:30 in Round 4)

Jon: "Hammerfists from Laura! Dove blocks a few but takes some impact. This is vicious ground-and-pound!"

Joe: "Dove manages to trap Laura’s arms—trying to slow her down, tie her up and recover. This is survival mode now!"

Jon: "She’s keeping Laura from doing full damage, Joe, but those chest strikes keep coming as Laura uses short sharp elbow strkes. Dove’s in trouble!"

(Clock: 3:05 in Round 4)

Joe: "Dove tries to push herself up, fight off Laura’s pressure, but she’s pinned against the canvas. Laura’s knees, punches, and kicks—everywhere!"

Jon: "She’s got to make it to the bell, Joe. Dovee is managing to block most of the strikes but the ones that get through are punishing!"

(Clock: 3:40 in Round 4)

Joe: "Dove blocks a flurry and ties Laura up again, forcing her off balance. The referee’s watching closely—what a sequence!"

Jon: "Laura’s not letting up—her strikes are relentless! Dove’s body is taking a pounding, but she’s holding on!"

(Clock: 4:15 in Round 4)

Joe: "Both fighters are exhausted, but Laura is still in full attack mode! Dove’s desperately defending, using every ounce of technique to survive!"

Jon: "She’s making it to the bell, Joe! That’s all she can do right now, but surviving this onslaught is impressive!"

(Clock: 4:55 in Round 4)

Joe: “And that’s the round! Dove Cameron barely makes it to her stool—Laura Marano just poured it on, unrelenting punishment from bell to bell! Every shot landed with bad intentions. What a statement from Laura!”

Jon: “Absolutely, Joe. Leg kicks, body shots, hammerfists—she put on a clinic out there. The crowd’s roaring for her. Dove’s corner has their work cut out; just surviving that onslaught might be her biggest win tonight.”

Joe: “This is textbook Laura Marano—patient, calculating, then ruthless once she finds her rhythm. She’s breaking Dove down piece by piece.”

Jon: “We’ve seen this pattern before. Laura starts slow, then once she smells blood, she’s unstoppable. The question now is—can Dove find anything left to turn this around?”

Joe: “She’s still in it, but it’s grim. If Laura traps her on the cage again or gets top control, this could end fast.”

Jon: “Three rounds to one, maybe even a 10–8 in that last frame for Laura. Dove Cameron’s only path now is a knockout or submission. She needs a miracle.”

[Round 5]

Joe: "Laura presses her momentum early! She lands a huge uppercut—right to Dove’s left breast! Dove’s knees wobble!"

Jon: "That’s a punishing shot, Joe! Laura smells blood and she’s going all out—body, ribs, bellies, and yes, targeting the breasts as well!"

(Clock: 0:35 in Round 5)

Joe: "Dove ties Laura up, buys a few seconds to recover... She’s back on the attack now and firing jabs!"

Jon: "Jab, jab, jab! Three in a row right on the button—oh! Laura’s nose is bleeding from the strikes! The pace is relentless!"

Joe: "Laura swings to the body again, but Dove counters with a wicked inside leg kick! Laura's legs just gave out! She takes a knee!"

Jon: "She’s up again, though, showing incredible toughness, Joe. But Dove keeps hammering the legs every time Laura goes to the body!"

(Clock: 1:40 in Round 5)

Joe: "Another body shot attempt from Laura—but a nasty low kick from Dove stops her cold! Laura’s limping now, her legs are shot!"

Jon: "Dove’s not letting up! More leg strikes, then some payback to the body and chest. This is bad, Joe, Really really bad! Laura is on borrowed time! Laura is having trouble putting weight on her compromised left leg!"

(Clock: 2:10 in Round 5)

Joe: "Dove keeps alternating the legs and body attacks—she’s dominating every exchange now!"

Jon: "The referee's closely watching this—Laura's barely able to defend herself at this point. Every strike is landing with full force as she is a sitting duck!"

(Clock: 2:30 in Round 5)

Joe: "Dove Cameron tries a nice one-two combination... Laura's guard is non-existent now. Dove scores! Oh, this is turning ugly!"

Jon: "Laura continues to bleed from that cut. Referee Autumn Reeser is keeping a close eye—she may be ready to stop this fight any second!"

(Clock: 3:40 in Round 5)

Joe: "Dove moves forward with double overhooks—she's completely controlling Laura now!"

Jon: "Another inside leg kick! *SMACK!* That one landed flush on Laura's thigh—oh, she's hurting badly! You can see her legs giving out beneath her!"

Joe: "Autumn Reeser's warning Laura to defend herself... but she can't! Dove's chopping her down piece by piece! What a turnaround—Laura had this fight in her hands, but Dove found another gear!"

Jon: "Laura's legs are a mess—purple welts, swelling everywhere. She's limping, barely able to put weight on either leg. The ref needs to step in; Laura's too proud to quit, but she's in serious pain."

Joe: "She just needs one more minute to survive, but this looks grim. Dove's targeting those legs like a surgeon with bad intentions."

Jon: "Inside leg kick—oh my god! Laura's knee just buckled! She's screaming in agony, she's down on the mat clutching her leg!"

Joe: "The referee's seen enough! Autumn Reeser jumps in—it's over! Dove Cameron wins by TKO via leg kick at 4:34 of Round 5! What an incredible, brutal finish!"

Joe: "What. A. Fight! Dove Cameron's leg assault absolutely dismantled Laura Marano! What a comeback—what a finish!"

Jon: "Laura gave it everything, Joe. She fought with heart, power, and determination, but tonight Dove Cameron was just on another level—too sharp, too relentless, too precise. That's a champion's performance right there!"

Joe: "You've got to feel for Laura though. She was less than a minute away from sealing a decision victory, and then those legs just gave out. The pain, the exhaustion—it all caught up to her."

Jon: "Still, you've got to give Dove the credit she deserves. She fought through punishment, escaped that brutal headscissors, and somehow flipped the script after being pounded into the mat in the 4th. That's why she's a seven-time titleholder—you can *never* count her out."

Joe: "No question, Dove earned that win. But I can't help thinking Laura let it slip. She had control, she had the points, but she stood and traded when she didn't have to. Pride cost her big tonight."

Jon: "That's who Laura Marano is though—she doesn't back down, she doesn't play it safe. She'll fight to the bitter end, no matter the cost. Full credit to her—what a warrior, what a fight!"

[Official Decision]

Joe: "Now let's go to the official decision!"

Jon: "Laura Marano is somehow back on her feet, Joe, but you can see the pain etched across her face. Every step is a struggle—those legs are a fucking mess—but she's limping to the center of the cage like a true warrior."

Joe: "There's no eye contact between them. Their fight may be over, but that rivalry? That's not going anywhere. No smiles, no sportsmanship tonight—this runs too deep. I doubt that we'll see them kiss and make up."

Jon: "Kiss and make up, huh? Heh... I wouldn't mind that option, but I think we're a long way from that."

Joe: "All right, Bruce Buffer has the official word. Let's take it to him."

Bruce Buffer: “Ladies and gentlemen... after four minutes and thirty-four seconds of round number five, your winner—by TKO due to *leg kicks*—in a spectacular come-from-behind victory... **DOVEEEE**
CAMERONNNNN!”

Jon: “The crowd erupts! What a finish! Dove Cameron digs deep, survives hell, and storms back to win it in the fifth!”

Joe: “What a statement. A brutal, dramatic end to one of the most intense rivalries we’ve ever seen. Dove Cameron stands tall, but both women leave this cage as warriors.”

Jon: “Wait a second! Dove’s walking over to Laura—hand extended! Is she actually trying to make peace?”

Joe: “Laura looks hesitant... she’s posturing up—oh, wait! Dove grabs her arm! Are we about to get some post-fight fireworks here?”

Jon: “No! No! Look at that—Dove’s raising Laura’s hand! What on earth is happening right now?”

Joe: “Unbelievable! Dove Cameron, the ultimate competitor, showing true sportsmanship after one of the most brutal fights we’ve ever seen. Nobody—and I mean nobody—saw this coming!”

Jon: “You can feel the emotion in the arena, Joe. This feud had everything—pain, pride, and heart—but it ends tonight with respect. These two went to war, and now... maybe they’ll finally bury the hatchet.”

Joe: “This is unbelievable. Laura’s arm is over Dove’s shoulder, and Dove’s actually helping her to the locker room. What a moment, Jon.”

Jon: “Just when you think you’ve seen it all, these two are showing genuine respect. After everything they’ve put each other through, this is incredible. But do you think their stables will follow their lead and finally end the chaos?”

Joe: “Ha! Not a chance, Jon! Dove and Laura might be pretending to play nice, but their stables? Never gonna happen. And—wait—look at this! Sydney Sweeney and Vanessa Marano are already jawing at each other!”

Jon: “Oh no—there’s a shove from Joey King! She just launched Katharine McNamara right into the front row! It’s blowing up again!”

Joe: “You called it! This is turning into a full-blown riot, Jon—fights are breaking out everywhere!”

Jon: “Look at that—Lauren Donzis just yanked Dove Cameron off Laura by the hair! And now she’s the one helping Laura to the locker room!”

Joe: Katharine McNamara’s back up and she’s trading bombs with Joey King! Big right hands from Joey—she’s hammering Katharine right in front of the fans!”

Jon: “Security! Somebody get in there before this goes nuclear!”

Joe: “A fan’s trying to hold Katharine back but Joey’s teeing off! Come on now, that’s not fair!”

Jon: “The whole arena’s erupting—brawls everywhere you look! This is chaos!”

Joe: “Oh my God! Amanda Seyfried just dropped Hilary Duff with a brutal uppercut! She’s all over her, pounding away—this is getting *ugly!*”

Jon: “Here comes security—but for every fight they break up, two more start!”

Joe: “They’re dragging Sydney and Vanessa apart—wait, looks like Sydney got wrecked, Jon! Her face is a mess—and Vanessa’s holding up her top like a trophy!”

Jon: “Sydney’s scrambling to cover up with both hands as Vanessa waves her top in her face—total humiliation!”

Joe: “I don’t know why she’s bothering, Jon—we’ve all seen those before!”

Jon: “Oh! Becky G’s swinging wild—windmill punches—and she just cracked Audrey Whitby with a nasty right cross!”

Joe: “Security’s trying to form a line but the fighters are plowing right through it! Kiernan Shipka just kneed Sabrina Carpenter in the gut—folded her in half!—and now she’s got her by the thong, lifting her clean off the ground!”

Jon: “This is insane! Madison Pettis and Miranda Cosgrove are actually helping security now, trying to calm things down!”

Joe: “Finally, some cooler heads—but wait, Madison’s holding back Emmy Meyers and here comes Addison Rae! She just sucker-punched Emmy right in the chest!”

Jon: “Now Miranda and Madison are shouting—oh, come on—they’re going at it too!”

Joe: “Sucker punch from Emmy! She just sent Addison flying into the barricade!”

Jon: “Security’s swarming again—but oh no, Kylie Jenner and Katharine McPhee are nose-to-nose at ringside! Kylie’s jabbing a finger right into Katharine’s chest—and Katharine shoves her back!”

Joe: “Kylie’s not backing down—she’s firing right back with a shove of her own! The crowd’s on their feet again—listen to this place!”

Jon: “We might need another *referee crew* out here!”

Joe: (*laughing breathlessly*) “Well, Jon, it looks like everything’s back to normal in the UCC universe—pure, beautiful, chaos.”

Joe: “Ha! Not a chance, Jon. Dove and Laura might have buried the hatchet, but their stables? Never. And—wait—look at that! Sydney Sweeney and Laura’s sister Vanessa are having words already!”

Jon: “Oh no, and there’s a shove from Joey King—she just sent Katherine McNamara straight into the front row! This is exploding again!”

Jon: Wait a minute! This is turning into a brawl, Joe. Fights are breaking out all over the place.

Joe: Laura Donzis doesn’t seem to like the fact that Dove is helping out Laura and she just pulled Dove off by the hair and now she is helping Laura.

Jon: Now Katharne and Joey are swinging away.

Joe: Big shots are landing from Joey! She’s pounding away on Katharine right in the audience!

Jon: We need security. This is getting out of hand.

Joe: It looks like a fan is holding Katharine back and Joey is just wailing away on her. Come on now, that's not fair!

Jon: Fights are breaking out all over the arena! This is pure chaos!

Joe: OMG! Amanda Seyfried just dropped Hilary Duff with an uppercut. She’s all over Hilary now. This is turning ugly.

Jon: Here comes the cavalry but for every fight they break up another one starts!

Joe: They're pulling Sydney and Vanessa apart.

Jon: It looks like Sydney got the worst of that, Joe. Her face is a mess and Vanessa has her top in her hands waving it around.

Jon: Sydney is covering herself up as Vanessa waves her top in her face.

Joe: Not sure why Sydney is covering up, we’ve all seen them before.

Joe: Windmill punches from Becky Gomez! Audrey Whitby just got tagged with a right cross.

Jon: Security is forming a line but they are fighting right through it. A knee to the gut from Kierman Shipka! She just folded Sabrina Carpenter in two and now she's pulling up on her thong!

Joe: She’s lifting Sabrinia right off the ground!

Jon: Madison Pettis and Miranda Cosgrove are helping security trying to get these women to stop.

Joe: Finally some calmer heads are prevailing.

Jon: Madison is holding back Emmy Meyers but here comes Addison Rae!

Joe: She just punched Emmy in the tits while Madison was holding her back. Now Miranda and Madison are having words and here they go!

Jon: Sucker punch from Emmy. She just sent Addison flying!

Joe: “Security’s rushing in, but it’s too late—Kylie Jenner and Katharine McPhee are nose to nose! Kylie’s poking Katharine in the chest—and here comes a shove from McPhee but Kylie isn't backing down!”

Jon: “And the crowd’s on their feet again! We might need another referee crew out here!”

Joe: *laughs* “Well, Jon, I feel better now. Everything’s back to normal.”

Jon: Except it now appears that Dove and Laura are friends.
