

How to Log into Infinite Campus Parent Portal

You can access the Campus Parent Portal through the web or through the mobile app. For either method, you will need your username and a special IC set up password for your first login.

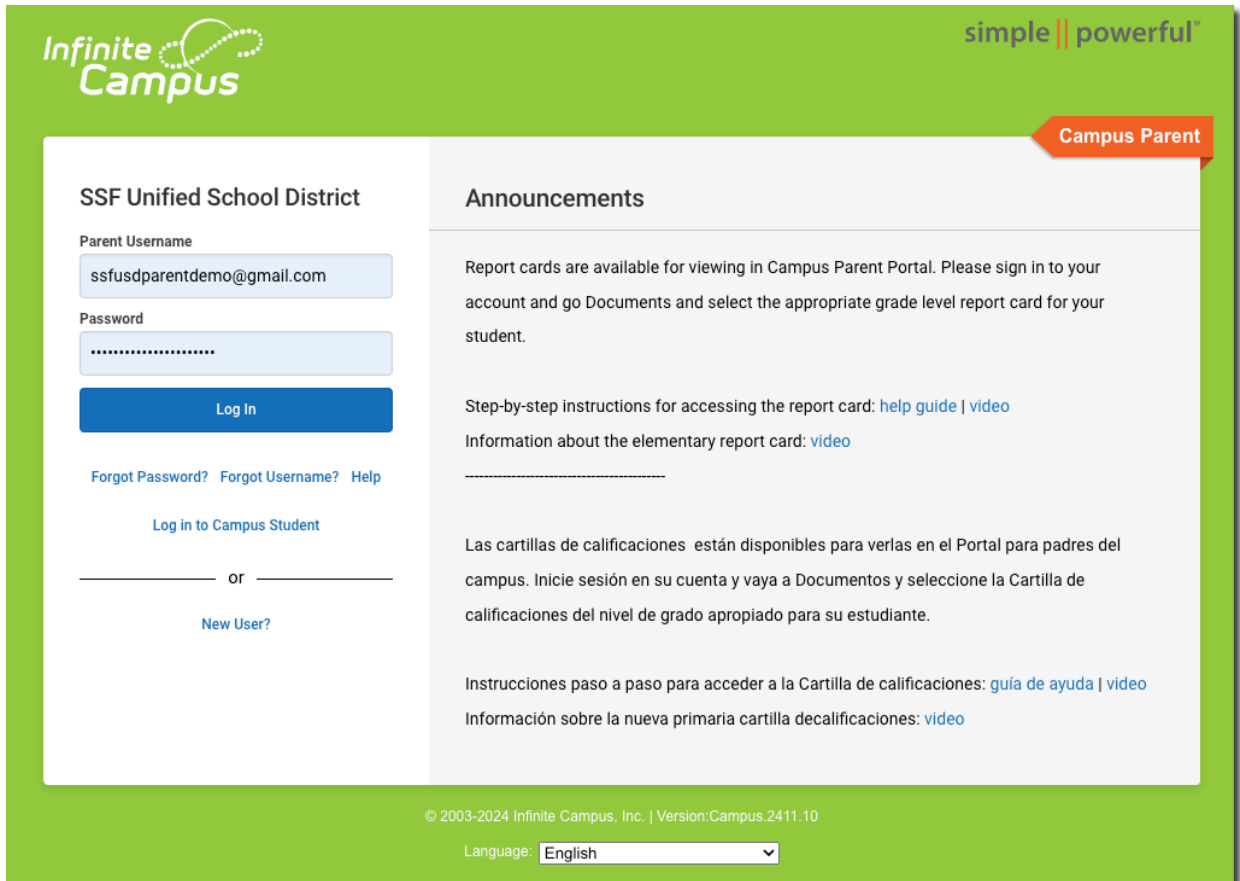

Log in via web

Go to the [district website](#) or your school's website.

Move your cursor over Portals and then click **Infinite Campus Parents**

At the Infinite Campus Parent Portal login page, enter your **username** and **password**, and click **Log In**:

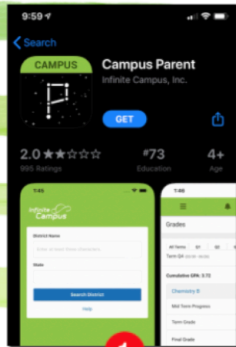

If you do not know your username or your password, click **Forgot Password?** or **Forgot Username?**

You can also contact your child's school for help, or contact the SSFUSD Helpdesk by sending an email to: help@ssfusd.org. Make sure to include your child's name and school in your email.

Log in via mobile app

Download the Infinite Campus Parent app for [iOS](#) or [Android](#) here.
