A recent visitor to Taber was Archie Evanson of Vancouver, B. C. He was returning from a convention in Montreal and stopped off here to visit his mother, Mrs. Hannah Evanson, and his brothers and sisters of this community.

He attended the LDS Conference at Taber when his youngest brother, Richard, was made President of the Taber LDS Stake.

When he returned to Vancouver he telephoned and informed Richard that he, himself had just been called as first counsellor to the Stake President of the Vancouver LDS Stake.

Archie and wife, Hilda, and three children have resided in Vancouver nearly 10 years, where he is manager of a life insurance office.
