

Story: Time Machine

Author: Saanvi Yellanki

Panel 1:

A teenage girl is working diligently in a cluttered laboratory, surrounded by various scientific equipment and papers.

Panel 2:

A montage of the girl working tirelessly, shown through a series of quick snapshots. The calendar on the wall changes, indicating the passage of time.

Panel 3:

The girl stands triumphantly next to a completed time machine, which looks like a sleek, metallic pod with glowing lights.

Panel 4:

The girl hesitantly approaches the time machine, her hand hovering over the control panel.

Panel 5:

The girl steps into the time machine, which is now glowing and humming with energy.

Panel 6:

The girl emerges from the time machine in a futuristic cityscape with flying vehicles and towering skyscrapers. She is still wearing her lab coat

Panel 7:

The girl looks around, her expression changing from awe to concern as she observes the advanced society. she feels panicked

Panel 8:

The girl hurriedly re-enters the time machine, preparing to return to her own time. she is scared and frantic

Panel 9: The time machine reappears in the laboratory, and the girl steps out, looking shaken.

Panel 10: girl is pondering what she had done

Panel 11: The girl throws a large blanket over the time machine, completely covering it.

Panel 12:

As the blanket now fully covers the time machine, it appears as nothing more than a forgotten, dust-covered pile in the corner of the lab. The original girl, glancing back only once with a weary sigh, walks away, leaving it hidden and untouched

Panel 13:

The laboratory is silent, dimly lit by the faint glow of control panel lights. The main lights shut off one by one, casting the room in darkness. The only sound is the hum of machines powering down.

Panel 14:

A montage showing the passage of time, with the covered time machine gathering dust

in the corner of the lab. The calendar pages flip by, showing three years passing.

Panel 15:

A blonde teenage girl enters the dusty, abandoned laboratory, looking curious and slightly apprehensive. she has blonde hair

Panel 16:

The exterior of the laboratory. The building looks old and worn out, with visible cracks and faded paint. All the surrounding trees are dead, emphasizing its abandoned state.

Panel 17:

The brown haired girl approaches the covered time machine, her hand reaching out to touch the dusty blanket.

Panel 18:

The blonde girl lifts the blanket revealing a shiny, complex device underneath. Her eyes widen in amazement. Her hair is fully blonde
