WINTER BREAK BEGINS!!!!

You did it! Semester 1 for the 21/22 school year is complete. Woohoo!!!
Have a safe, healthy, and happy break and we will see you back in school on Wednesday, January 5, 2022!

OPPORTUNITY FROM THE TOLEDO LIBRARY:

We at Teen Library are starting a new group called the Youth Ambassadors Program (YAP) in 2022. I'd like to personally invite you to think about joining this new initiative at TLCPL.

The purpose of YAP is to bring together students and potential adult mentors from Lucas County and surrounding areas as youth advisory to promote mutual understanding, increase leadership skills, and to prepare youth to make a difference in their communities.

To do this, we ask that students work with us to kick-start the Library with their voices and perspectives. While working with other creative, innovative, and energetic high school students, they will design programs and resources that make the Library more welcoming, accessible, and relevant.

Some ideas that we have is for this group to potentially create content for an Instagram or TikTok channel, plan and execute holiday parties, star in commercials, promote Library programs and services, etc. We would really like for our YAP members to shoot for the moon with their thoughts. Let's see what we can make happen. I'm excited to see what the next Big Idea is!

Should you have any questions or would like more details, I invite you to reach out to me at joyce.souva@toledolibrary.org or call me at 419-259-5297.

TSA GARDEN USAGE:

Students, the TSA Garden will once again be opened up after school for any days a staff member is on duty to be sure the garden is treated with respect. The staff members who monitor the dock after school usually work until 4:00 or 4:10. At that time the garden will be locked back up. If students misbehave again in the garden, the privilege will once again be taken away. Here are the garden expectations:

- 1) Throw away your trash
- 2) Sit on benches - but do not stand on benches
- 3) Stay off the plants and bushes - only be on the grass or cement areas
- 4) Use the stairs to enter and exit the garden; do not walk on the ledges
- 5) DO NOT TOUCH the sculptures or signs for the sculptures!!

Thank you - Ms. Ferguson

Students, the TSA Garden will once again be opened up after school for any days a staff member is on duty to be sure the garden is treated with respect. The staff members who monitor the dock after school usually work until 4:00 or 4:10. At that time the garden will be locked back up. If students misbehave again in the garden, the privilege will once again be taken away. Here are the garden expectations:

- 1) Throw away your trash
- 2) Sit on benches - but do not stand on benches
- 3) Stay off the plants and bushes - only be on the grass or cement areas
- 4) Use the stairs to enter and exit the garden; do not walk on the ledges
- 5) DO NOT TOUCH the sculptures or signs for the sculptures!!

Thank you - Ms. Ferguson

NATIONAL HISPANIC HERITAGE MONTH:

Holidays and observances

National Hispanic Heritage Month (Spanish: Mes Nacional de la Herencia Hispana) is a period from 15 September to 15 October in the United States for recognizing the contributions and influence of Hispanic Americans to the history, culture, and achievements of the United States. [wikipedia.org](https://en.wikipedia.org/wiki/National_Hispanic_Heritage_Month)

- Dates: September 15 to October 15
- Significance: September 15 was chosen as the starting point for the commemoration because it is the anniversary of independence of five Hispanic countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua, who all declared independence in 1821.
- How did it get started?: Hispanic Heritage Month began as Hispanic Heritage Week, established by legislation sponsored by Rep. Edward R. Roybal of Los Angeles and signed into law by President Lyndon Johnson in 1968. It was expanded to a month by a law signed by President Ronald Reagan in 1988. (10/15/21)

NATIONAL HISPANIC HERITAGE MONTH:

Holidays and observances

National Hispanic Heritage Month (Spanish: Mes Nacional de la Herencia Hispana) is a period from 15 September to 15 October in the United States for recognizing the contributions and influence of Hispanic Americans to the history, culture, and achievements of the United States. [wikipedia.org](https://en.wikipedia.org/wiki/National_Hispanic_Heritage_Month)

- Dates: September 15 to October 15

Roybal of Los Angeles and signed into law by President Lyndon Johnson in 1968. It was expanded to a month by a law signed by President Ronald Reagan in 1988. (10/15/21)

Holidays and observances

National Hispanic Heritage Month (Spanish: Mes Nacional de la Herencia Hispana) is a period from 15 September to 15 October in the United States for recognizing the contributions and influence of Hispanic Americans to the history, culture, and achievements of the United States. [wikipedia.org](https://en.wikipedia.org/wiki/National_Hispanic_Heritage_Month)

- Dates: September 15 to October 15
- Significance: September 15 was chosen as the starting point for the commemoration because it is the anniversary of independence of five Hispanic countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua, who all declared independence in 1821.
- How did it get started?: Hispanic Heritage Month began as Hispanic Heritage Week, established by legislation sponsored by Rep. Edward R. Roybal of Los Angeles and signed into law by President Lyndon Johnson in 1968. It was expanded to a month by a law signed by President Ronald Reagan in 1988. (10/15/21)

ENVIROTHON:

Do you like the outdoors? Love nature? Enjoy a little friendly competition? Check out Envirothon! Envirothon is a regional/national competition that has students compete in teams, demonstrating their knowledge of the natural world. Topics of focus are; Forestry, Soils/Land Use, Aquatics Ecology, Wildlife, and Current Environmental Issues. Think outdoor Quizbowl!

As a team we practice in Room 303 on Wednesdays from 3:15pm-4:15pm, students from grades 9-12 are welcome to join. We will compete in April against other teams from Northwest Ohio, it is a fun day out of competition and a bbq! We will field two teams of 5 and have 5 alternates (these are the rules for the competition). However, all students who regularly practice with us, and join the TSA team, get a TSA team shirt and are invited to our end of year pizza party whether you make the competitive team or not. We are in a building year, most of our team graduated last year, so give us a chance, and come join Envirothon! We would love to have you.

NOTE: If you are in the fall show, or another activity that conflicts with this practice right now, please reach out and let us know you are interested! Send either Ms. Smith or myself an email, or just pop in and see us during school.

Mrs. Haywood and Ms. Smith, co-advisors of Envirothon

First meeting is September 15, 3:15-4:15pm, Room 303 (9/15/21)
