Dear Parents & Students,

This year we are looking at a "Pay As You Go" Ski Club. Titus has changed their cancellation policies, so in order to ensure everyone has an opportunity to ski we wanted to offer Ski Club as a stand alone field trip event 4-5x this season. Our plan is to ski 3 Friday nights, then 2-3 weekdays 10-4pm. Night skiing will be held Friday nights leaving school at 3:15pm, returning around 9:45-10pm. Daytime field trip skiing 5-12th will be held during the week leaving school at 9:15am and returning by 5pm. 4th Learn to Ski trip from 10-1pm will be February 14th. . Please follow our School Webpage and Facebook for up-to-date information. https://www.phcsd.org

Payment info: Students sign up in the office a week prior to skiing in Guidance or with Mrs. Michelle Murray in Room 217.. Payment in exact cash or a check made out to Parishville Hopkinton Central School for each trip is needed (not all at once like in years past.) You must fill out and sign the form attached with information for rentals and a signature for the waiver for Titus. We can only take 45 students each time. Be sure to sign up on time (even if you have a pass and own equipment-we can only fit so many on the bus)

TRANSPORTATION: Since Ski Club is considered a school activity, students will NOT be allowed to drive to the mountain on their own if participating in ski club at our group rate. Parents CAN bring students to the mountain and take advantage of the group rate if you'd also like to ski or board along with your students. If your student would like to ride home with another parent please send in a permission letter to the office the day before Ski Club.

BEHAVIOR & SAFETY: Skiing and boarding is a high risk sport, and adherence to all safety rules at all times is expected. Students participating in Ski Club are expected to adhere to our school Code of Conduct, as well as Titus Mountain's Code of Conduct, for safe skiing and snowboarding. Any violation will result in students being suspended from attending Ski Club. Discipline and behavior at school can also affect participation in Ski Club and grades can affect daytime field trip ski club participation.. Skiing and snowboarding lessons are available and included in your ticket. Any first timer is required to participate in these lessons. Please review Titus's information on safety and mountain rules. https://www.titusmountain.com/ski-patrol Proper gear is highly recommended. Warming packets for hands and boots also come in handy. Students can bring a bagged meal or bring money for the cafeteria at the lodge.

Any questions or concerns please email me at mmurray@phcsd.org.. Thank you for your support! We are looking forward to another fun season.

Mrs. Michelle Murray
