NOW is the time to get your service hours done. Have you volunteered your time as part of a school club? Submit your hours! Have you volunteered with a youth sports team? Submit your hours! Have you assisted a teacher voluntarily? Submit your hours! If you do not know what to do, staff have provided you with many opportunities. Ask any teacher if they need some help or use the link below for more ideas. Remember, the hours have to be done with the approval of a PI Staff member or coach. Volunteer opportunities appear in the announcements EVERY DAY!

Are you looking for "Semester of Service" hours? Click on the link below for opportunities. Contact the supervising teacher for more information.

Staff Service Opportunities

Once you have completed a service opportunity, you should enter your service into the Google form at this link. You should enter each time you do a different service opportunity. Pine Island High School presents...

**GO TO COLLEGE, NOT INTO
DEBT: SOLUTIONS FOR AN
AFFORDABLE EDUCATION**

- Juniors and Seniors:

The Department of Education announced recently that there will be another delay in this year's FAFSA. Families of college bound students are in a unique situation to use this delay to their benefit by using the additional time to assess strategies that may require more time to implement. This includes the chance for senior families to set-the-stage and prepare for a stronger appeal to their top-choice college/university. Families of Juniors will benefit with the additional time to review and implement income strategies that will lower college costs even more. Learn what to do to maximize your financial aid offers!

Pine Island HS is teaming up with the financial aid experts at My College Planning Team to offer a live workshop to junior and senior families to help you understand the increasingly complex world of need-based and merit-based financial aid so that you are better able to navigate this process with your colleges. Advanced registration is appreciated.
