

Kylie's Corner with Bella Thorne

Hello everyone and welcome to Kylie's Corner. This is my 2nd installment and tonight I'll be interviewing a teammate and a really trusted friend. We will take questions from Twitter and do our best to keep everyone informed. This will give our fans a chance to ask those pressing questions and get some insight into her personal life as well as find out what it takes to be a UCC Cage Fighter. Tonight my special guest has seen her share of controversy but to be perfectly honest, none of it is deserved. She is one of the sweetest, most loving people I know. Please welcome Bella Thorne.

Kylie: How are you doing Bella?

Bella: It's been a wicked crazy ever since I joined your Stable. Oh, and I got my own Barbie Doll. It's fucking awesome. It looks like me after a hard night out. Well it does now.

Kylie: What are the big differences between the Barbies and Strikeforce?

Bella: It's way more serious over here. Lots of pressure but hey, I like it. It keeps me out of trouble. I need that ya know.

Kylie: Now I want to apologize for the mess up at Canadian Brawl. You were in line to fight and then got bumped.

Bella: Yeah, that sucked. I was ready to fight Jade Ewen and got pulled for Vassago's Jenny Frost. I've never been so disappointed in my life.

Kylie: You faced Jenny's teammate Roxanne Pallett in what turned out to be a really good fight. How good does it feel to get back in the cage?

Bella: It felt great. I really miss the physical contact and it felt great to make Roxanne tap out.

Kylie: How about we get to some questions from your twitter fans. The 1st question is from [lucylucygoosey](#) *acting or singing?*

Kendall: Actually I'd rather be an artist. I love my art projects and working with my hands. Oh, acting over singing but only the roles I like.

Kylie: Next up we have [pinkypledge7](#) *what is your true hair color*

Bella: Naturally? Well it's actually blonde

Kylie: [smkyjo420](#) wants to know *who's taller, you or bella hadid*

Bella: That's weird. Actually Bella and I are good friends. I think we're about the same height. It's hard to tell cause she's always in heels. Like 6" stilettos. Really tall fuckers. I could never walk in them without breaking an ankle but Bella can run in them.

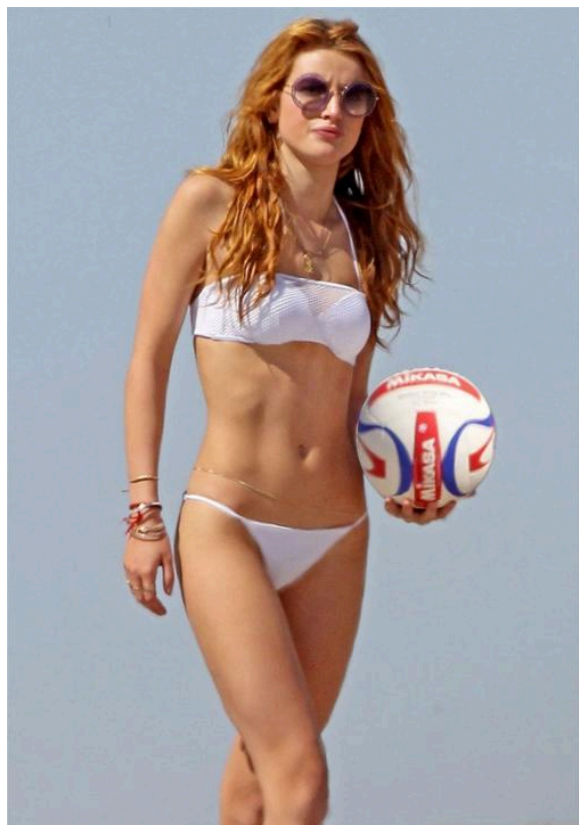

Kylie: Next up we have [braidedweiner](#) who asks *where would you go if you had a time machine*

Bella: Anywhere in the future. That would be too cool to see what everyone else is like, say way way into the future. Ya know like, see my friends when they're 30.

Kylie: This one is weird [naughtynina](#) asks *why did you name your dog tampon*

Bella: Just cause it sounds funny when I yell out her name in the dog park.

Kylie: [nevergreenskittles](#) OK, I totally agree. Green skittles taste like ass. Anyway, they want to know *If you could only eat one thing for the rest of your life, what would it be*
Bella: Italian food. Spaghetti or Pizza. I can eat a lot.

Kylie: [swearboxmikey](#) wants to know *what sports do you excel in*
Bella: Besides cage fighting? Jeez. thanks a lot swearboxmikey. Actually I’m awesome at Beach Volleyball. If I was 4” taller I’d dominate on the Beach Tour. Seriously, I’m really that good.

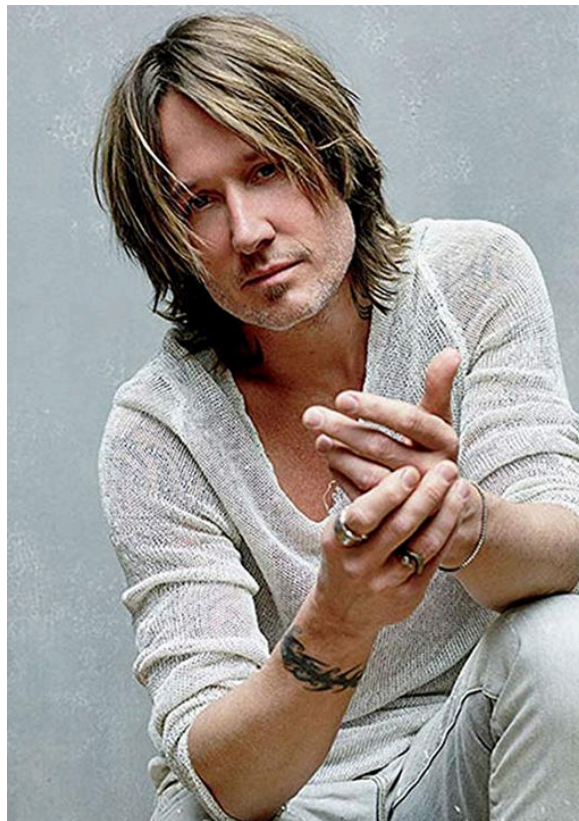

Kylie: Our next question is from [abysmalvixen](#) who wants to know *who is your celebrity crush?*
Bella: The insanely beautiful Dove Cameron!!! Oh, and Ian Summerhalder.

Kylie: [bigmouthbillybass](#) asks *who’s your fav actress, singer, cagefighter*
Bella: All in one?

Kylie: I think they want to know each one, maybe?
Bella: Actress ummm . . . Rachel McAdams. Singer. . Lzzy Hale Uh fighter. . you Kylie.

Kylie: Next up we have [amerikan0704](#) who wonders *what would you bring to a deserted island*
Bella: My iPhone and a pair of tweezers

Kylie: Our final question is from [wetwilly6969](#) *who do you consider your number one mma rival*
Bella: That would be Alyson Michalka. I don’t have anything against her personally but when we get in the cage together we try to kill each other. She broke my ribs in London so I owe the bitch a beatdown for that.

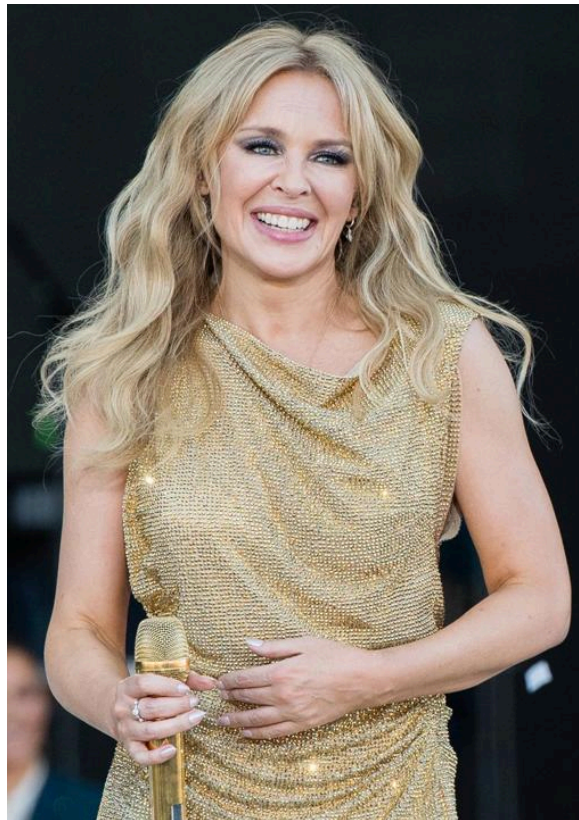

Kylie: Thanks Bella. Now I’d like to open it up to some questions. OK, the blonde man with the mangy hair.
Keith Urban: Ga day, Kylie.
Kylie: Please state your name sir.

Keith Urban: Come on, Kylie. We met at the Grammys.
Kylie: I know that Keith. I’m just messing with you. What’s your question.

Keith Urban: My sources tell me that you held a hot body contest and that new member Zendaya won. Why would you put your fighters through that?
Kylie: For one, they wanted it but more importantly it wasn’t a hot body contest. It was a Core Challenge that I held after I put them through a vigorous 3 week workout with Jillian Micheals.

Keith Urban: Were you as shocked as I was that Zendaya won?
Kylie: Of course not! Zendaya is gorgeous and while she doesn’t have the most muscular body she is in incredible shape. All you have to do is wrestle around with her and you’ll appreciate how strong she really is.

Keith Urban: I’d like to but I don’t think my wife would like that.
Kylie: Thanks, Kelth. OK, ewww. The wrinkly old witch in the burlap sack.

Kylie Minogue: You don’t have to pick me on you don’t want to. I understand.
Kylie: Just what do you mean by that Mrs. Minogue?

Kylie Minogue: I just thought you wouldn’t want to talk to me after I won the lawsuit you filed against me. You know, the one where you tried to Trademark “Kylie”.
Kylie: I know the suit Maam.

Kylie Minogue: So you still won’t call me Kylie. Childish behavior if you ask me.
Kylie: Can I ask a question Mrs. Minogue?

Kylie Minogue: Certainly. How do you like our country?
Kylie: I love it here. The fans are great and the weather is perfect. Do you have a question about Kangaroo Court?

Kylie Minogue: Not really. I just wanted to talk about how foolish you were to think that you’re the only Kylie that matters. I was “Kylie” before you were born.

Kylie: I'm sure you tell your grandchildren that all the time. So did you come here to bring up the lawsuit again?

Kylie Minogue: Oh oh! Remember you're not supposed to mention the Lawsuit for another 2 years. Tisk tisk Kylie. You wouldn't want me to sue *You* and show *You* how it feels now would you?

Kylie: Maybe you should come out of retirement and join the UCC.

Kylie Minogue: You'd like that wouldn't you.

Kylie: Please take her mic away. Now please. OK, the very beautiful elegant lady in the front.

Elle MacPherson: Thanks for the wonderful compliment Kendall.

Kylie: Um, I'm Kylie. Kylie Jenner. You may have worked with my sister Kendall.

Elle MacPherson: It's uncanny. You two look very much alike.

Kylie: Thank you. I've always said that Kendall is the prettiest model. Do you have a question Elle?

Elle MacPherson: Sure do. Are you concerned with your developmental squad?

Kylie: Not at all. I love what Taylor has done. We have some amazing talents who are waiting to show the UCC what they have.

Elle MacPherson: But you got spanked yet again losing 4 out of 7 fights to your rivals from Memphis.

Kylie: If they didn't surprise us with a ringer then we probably would have won. My hats off to Demi Lovato. She really held her own in the finals and showed how tough she really is.

Elle MacPherson: Demi did show she can take a punch. A lot of them in fact. What Sophia did to her was pretty brutal.

Kylie: I've known Demi for a long time and she never gives up.

Elle MacPherson: What was your reaction when they announced that Demi's opponent was Sophia Bush?

Kylie: Nothing surprises me after dealing with Koda and Haruni for the last couple of years. There's nothing they won't do to win and getting Sophia out of retirement doesn't come as a surprise.

Elle MacPherson: You were obviously upset to see Sophia Bush especially after seeing how fit her body was.

Kylie: Obviously she has been training hard.

Elle MacPherson: You mentioned that Sophia had a lot of experience but failed to mention that Taylor Momsen had 32 fights in the UMMA and got beat?

Kylie: Agreed, but Sophia was a former Champion and has been at the top for a long time. Sophia is a ringer and has absolutely no business fighting my developmental fighters.

Elle MacPherson: It appears that the Wildcats/Aries are making a run on talent but you appear to be going in the opposite direction. Are you worried that you'll be left behind?

Kylie: I don't understand. Why would we be going in the opposite direction? We were 17-3 in Australia.

Elle MacPherson: Adding Sophia really solidifies their roster.

They're adding amazing talent while you're trading yours away.

Kylie: I agree that Sophia is a difference maker and kudo's to them for signing her but the Barbies are in it for the long term.

Elle MacPherson: Now I don't get it. Gigi is the number one ranked fighter and she is only 24. You also traded away another 3 top 50 fighters. How's that building for the future?

Kylie: I like our roster moves and would make the trades again. I know we gave up a ton of talent but we got some great fighters in return. Since we traded for Kendall, Selena, Zendaya, Bella. Miley, and Vanessa and brought up Zara. They've gone 16-5. Need I say more.

Elle MacPherson: Were you disappointed with Sabrina Carpenter and Jessie James?

Kylie: They both let their nerves get the better of them but with a little work they'll be fine.

Elle MacPherson: Will that be the last event outside the UCC considering that you lost again?

Kylie: I'm not sure but if we're challenged we're not backing away. Never!

Elle MacPherson: Even after getting spanked at Clash on the Beach and the beating your developmental fighters just took?

Kylie: I'll admit we do need a win and listening to them boast on social media is hard to swallow but we're all about wins in the UCC and we're pretty damn good at that. OK in the back.

Hugh Jackman: Hey ya Kylie. Is Zendaya around?

Kylie: She's somewhere in the back. Why?

Hugh Jackman: We worked together in The Greatest Showman and I haven't seen her in some time.

Kylie: You can always go and see her. You don't have to ask me. Do you have a question about the Barbies?

Hugh Jackman: Well, it is about Zendaya if that's OK with you.

Kylie: Of course. I love Zendaya.

Hugh Jackman: Now I'm on your side on this one.

Kylie: OK, what is it?

Hugh Jackman: Do you feel disrespected by Harumi and Koda after you reached out and treated them to a luxurious weekend retreat?

Kylie: Of course I do. My intentions were to put all of our hostilities behind us and everything went great until the exhibition started. That's when their true colors came out. Kendall and I were so disappointed. We made every effort to make a truce but all they want to do is fight us. Can you imagine them ganging

up on poor Kendall and beating on her like they did.

Hugh Jackman: I like the Wildcats and the Aries but you did everything you could and they ruined a perfectly good weekend.

Kylie: I totally agree Hugh. Disagreements happen and tempers flare and we go at it from time to time. That's just our competitive side coming through. That's all well and good but to double team and pummel someone is unacceptable. Alright, final questions from Thor.

Chris Hensworth: Hey ya Kylie. Have you seen Miley?

Kylie: It's not my night to watch her. Isn't she getting divorced from your brother Liam?

Chris Hensworth: True but they've been separated for months. I just have a few things I'd like to go over with her.

Kylie: That's between you and Miley. Don't get me involved. Ever since the split she's been undefeated. Do you have any questions about the last event?

Chris Hensworth: What the hell is wrong with Taylor Swift. She was the number one fighter in the UMMA and now she's a shell of her former self?

Kylie: Taylor is going through some rough times but I never worry about her.

Chris Hensworth: If she loses another couple of fights will she be released?

Kylie: That's the stupidest question I've heard in years. Taylor is never getting released and she will be challenging for the title.

Chris Hensworth: If you say so I guess. Now how come Julianne Hough fought as a Featherweight? Last I heard she was supposed to be a Welterweight.

Kylie: I put the paperwork through over a month ago. I haven't heard back from the UCC yet.

Chris Hensworth: Julianne said that she has to cut over 10lbs before each fight. Isn't that hard on the body?

Kylie: It's been hard on Julianne but it doesn't seem to be affecting her.

Chris Hensworth: Nina Dobrev was also supposed to be moving to the Lightweight division. Same situation as Julianne?

Kylie: Both requests were made at the same time..

Chris Hensworth: I see that Julianne will be defending her title and Nina will be fighting Maisie Williams. Looks like they'll be Featherweights for another month.

Kylie: Well, hopefully it will go through after Oktoberfest Aftermath. We'll see I guess. Anything else Chris?

Chris Hensworth: I was just wondering if you were going to make any changes to your developmental squad?

Kylie: And why would you be asking that?

Chris Hensworth: To be brutally honest, Kylie. Taylor Momsen was a complete bust as well as Sabrina Carpenter. I heard through the grapevine that your were working out a few fighters.

Kylie: And you heard this from?

Chris Hensworth: I’d rather not say but rumor has it that Elle Fanning was seen leaving the Barbie Gym.

Kylie: She may have been there but how do you know that we’re trying her out? We have a ton of visitors in our training facility everyday.

Chris Hensworth: I heard from a reliable source that in her tryout she gave Camila Cabello fits and knocked Kelli Berglund clean out.

Kylie: I’m not going to confirm or deny that. We try out a lot of fighters. You’ll just have to go to the Forum to keep up on the latest from our Developmental Fighters.

Chris Hensworth: On the Forum? Is this something new?

Kylie: Indeed, check it out when you can. OK, thanks to everyone except Mrs Minogue. She can go fuck herself for all I care. We’ll see you all in Germany.

XOXOXO Kylie
