Subject Line: Have You Heard About Gutenberg Yet?

Hey [Name],

You may have heard some chatter lately in the WordPress world about Gutenberg, the new visual editor, that replaced the current editor in WordPress 5.0. Some people are thrilled with it and others hate it. Personally, I think it's a good first step towards a great page builder.

If you want to know more about Gutenberg or want to teach your audience about it, check out the bundle I just released, Gutenberg - The New WordPress Editor. This bundle comes with:

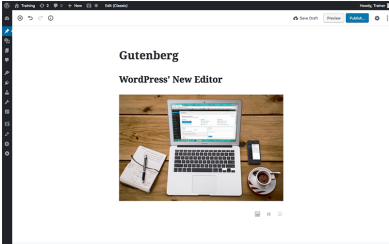

- 1 Small Report - Over 3,000 Words Total on the following topics:
 - What is Gutenberg?
 - Test Drive Gutenberg
 - Writing a Post or Page in Gutenberg
 - Post, Page and Block Settings in Gutenberg
 - Edit the HTML
 - Keyboard Shortcuts
 - Advantages of the Gutenberg Editor
 - Gutenberg Hurdles
 - Revert To The Classic Editor
- A Gutenberg Checklist - To make sure your WordPress site is ready for Gutenberg
- 10 Gutenberg Screenshots
- 5 Shareable Social Media Graphics
- Report & Checklist Optin Page - Code for you to use on your optin page in txt format.
Just copy and pass it into your WordPress page.
