

Create a Fraction House!

- Get a plain piece of paper, a pencil, and crayons, markers, or colored pencils.
- Follow the directions below to create a beautiful “Fraction House!”

Directions:

Step 1: Draw a house with one door and six windows. Color $\frac{2}{6}$ of the windows blue. $\frac{4}{6}$ of the windows should be yellow.

Step 2: Draw a tree on the right side of your house. Draw 8 apples in the tree. Color $\frac{1}{2}$ of the apples red and $\frac{1}{2}$ of the apples yellow.

Step 3: Draw 4 dogs in the front yard. Color $\frac{3}{4}$ of the dogs brown. Color $\frac{1}{4}$ of the dogs black.

Step 4: Draw a sun in the top left corner of your paper. Color $\frac{3}{3}$ of the sun yellow.

Step 5: Draw 5 flowers in front of your house. Color $\frac{3}{5}$ of the flowers pink. Color $\frac{2}{5}$ of the flowers purple.

Step 6: Draw a driveway with two cars. Color $\frac{1}{2}$ of the cars blue. Color $\frac{1}{2}$ of the cars red.

Step 7: Draw 4 clouds in the sky. Leave $\frac{3}{4}$ of the clouds white. Color $\frac{1}{4}$ of the clouds gray.

Step 8: Color the rest of your drawing to complete your beautiful picture!
