NARRATOR:

Now available on DVD, it's the best of Comedian Gary Simmens!

GARY SIMMENS

Bridges are things people travel over to get from one land mass to another...

NARRATOR:

For the first time ever you can enjoy 3 safe hours of America's favorite observationalist in one DVD collection!

GARY SIMMENS

Sometimes you walk into a room and there's no light on and you can't see anything...

NARRATOR:

It's comedian Gary Simmens greatest hits! For over 15 years, Gary Simmens has been mildly amusing crowds all over the world with his unique brand tepid, uncontroversial stand-up comedy.

GARY SIMMENS

You need the remote control, because when you don't have it, it becomes difficult to change the channels.

NARRATOR:

Laugh appropriately as Gary tackles such inoffensive topics as....
Things are red!

GARY SIMMENS

Some things in this world are red. Stop signs, firetrucks, red peppers.

NARRATOR:

Cars!

GARY SIMMENS

Cars are things people use. Sometimes people drive cars and other times people are driven in cars.

NARRATOR:

The internet!

GARY SIMMENS

It's like, whatever you want to know about you can learn on the internet.

NARRATOR:

And everyone's favorite, birthdays!

GARY SIMMENS

We have birthdays every year. It's a way of measuring how old we are.

NARRATOR:

Peter Travers of Rolling Stone calls it "a celebration of everything banal and otherwise unremarkable" while Jen Chaney of the Washington Post remarks it's "patently safe. Impossible to get mad at. Gary Simmens makes Dave Barry look like Bill Hicks"

GARY SIMMENS

A lot of time people sit on chairs while other times they either stand or sit on something else...
