

Lời mở đầu báo cáo thực tập tiếng Anh tại công ty Xuất Nhập Khẩu -ANALYSIS THE PROCESS OF IMPORTING IN FORWARDING OPERATION OF TRA-SAS BY SEA TRANSPORT.

Foreign trade development is our country's top task in the process of regional and world economic integration in which import and export activities have brought significant benefits to our economy. Freight forwarding plays an important role in supporting export and import development also seen as a high added value industry. In addition, the forwarding business requires the ability of professional competence, knowledge of the import-export environment : documents, invoice, packing list, tax, tariff, contracts, ...

The benefits of this service have contributed significantly to the economy of the country, especially foreign trade. Recognizing the importance and influence of the delivery service, I decided to choose delivery as a topic for internship report.

With the theoretical knowledge at the school together with the experience of practical experience during days at TRASAS JSC has helped me cultivate knowledge, training skills more about the method, the process of organizing the delivery and most importantly completion of the topic.

However, the knowledge of logistics is very huge, so I only limit the content of my report with the subject: ANALYSIS THE PROCESS OF IMPORTING IN FORWARDING OPERATION OF TRA-SAS BY SEA TRANSPORT. *(Lời mở đầu báo cáo thực tập tiếng Anh)*

The topic is to find out more about sea freight forwarding services, study the main issues of the process and the status of forwarding activities in order to better understand the freight forwarding business internationalization as well as quality delivery services the company provides. From that, we can continue utilizing and promoting the strengths of the company, while offering solutions to improve the quality of forwarding services and further improve the company's forwarding activities to develop company.

In addition, research on the subject also allows me to have the opportunity to apply the knowledge in the field, to be exposed to new jobs, to learn more in the industry. This is also an opportunity for me to equip myself with the knowledge, skills and attitudes necessary to prepare myself for graduation.

The report consists of three main chapters:

- Chapter 1: OVERVIEW OF TRA-SAS COMPANY
- Chapter 2: THE PROCESS OF IMPORTING IN FORWARDING OPERATION OF TRA-SAS BY SEA TRANSPORT
- Chapter 3: RECOMMENDATIONS AND SOLUTIONS FOR THE PROCESS AND THE COMPANY
