

1.

Are you an MSP that has been burned by vendors? Have commitment issues?

Get your **Complimentary [REDACTED] account** and explore the platform.

Absolutely **ZERO COST** and you'll get access to...

- Automated, white-labeled marketing content
- Dark Web prospecting searches each month
- A monthly cyber assessment you can use with prospects
- Security Awareness, Phishing & AI Training for your team
- Weekly "Security Shorts" training videos for your team

 Want one? Message us below **"[REDACTED]"** and we'll set up your account and send over the welcome email with your login.

2.

Tired of paywalls just to take a look? Let us **show you the value first!**

Take us for a spin with your **Complimentary [REDACTED] account**. Test-drive real features MSPs use to drive revenue, boost client engagement, and elevate cybersecurity culture.

Your (**FREE**) **[REDACTED] account** gives you 5 monthly Dark Web prospecting searches, automated white-label marketing, and a monthly cyber assessment tool you can use to show value and talk to prospects. You'll also get team training and weekly cybersecurity micro-videos.

It's a simple way to generate interest, showcase expertise, and warm up leads.

No credit card. No gimmicks. Incredible value.

Curious? Shoot us a DM with **"[REDACTED]"** and we'll set up your complimentary account.

3.

If your team isn't trained, your clients won't listen.

Claim your **Complimentary [REDACTED] account**. Includes full access to **Security Awareness, Phishing, and AI-in-the-Workplace Training** for you and your team.

And because this isn't just about training, you'll also get marketing resources, monthly Dark Web prospecting searches, and a cyber assessment.

No contracts. No credit cards. No commitment.

Just FREE.

Send us a message that says "[REDACTED]" and we'll get it turned on for you.
