

January 21, 2022

Good morning parents:

As of recently, PS 81 has not had school crossing guard services on the corner of Riverdale Avenue and W256th street. This causes a hazardous situation for our children. The NYPD is responsible for employing our school crossing guards and patrolling the dangerous intersection.

Attached is a letter from the Parents' Association to the 50th Precinct requesting a restoration of our services. We encourage all parents to reach out to the 50th Precinct Community Affairs to demand action, (718) 543-5978.

Everyone please take extra caution when commuting your children to and from school.

Regards,
Anne
