Certificates will be sent by email to the address entered above.

Unit Type:	

Instructions:

1 Fill out the above information completely. Incomplete applications may, at the sole discretion of the MURP Director, be returned for further attention.

2 For each MURP certification requested, list the course name (if not provided), the date each course was completed, and the name and SCC of the student providing the diploma. It is the responsibility of the Unit OIC to ensure that the courses listed have been completed by the Marines listed and that the Marines listed are, as of the date of the application, listed as current members in the SFI Database.

3. Use this same form for all MURP applications. Resubmit this form for each application, adding the additional information required for each MURP Readiness certificate. Once completely filled out, the General Combined Readiness will be sent.
