

We are in support of various actions to protest the destruction of our government and institutions of democracy! After all, facism is not good for people or the climate or everything on Earth.

Below are some upcoming actions and opportunities to get involved. Some are our own events. Some are those we share in solidarity, and we might not be at all of them, but if you'd like to meet up with us at any of these events, reach out to us by [email](#). **DETAILS will be added as we go.**

**Extinction Rebellion Austin - General Meeting: "SONGSHARE"**

(Look for the signs.) On the campus of Faith Presbyterian Church.

Is the state of things leaving you overwhelmed? Music is restorative! We're hosting a songshare for songs that inspire us to rise up for the Earth. We'll have a selection ready, but everyone is invited to bring songs, instruments, and your voice to join in and participate in regenerative culture with XR.

As usual, snacks and beverages will be provided. Feel free to bring something to share if you'd like, but it's not required.

## **SOLIDARITY ACTIONS & EVENTS**

Below are some upcoming actions and opportunities to get involved, organized by our valued colleagues. Reach out to us by [email](#) if you'd like to meet up with us at any of these events.
