

I will be adding the details of my placement to Unifrog shortly, which will automatically send you an email with the "Employer Initial Form" to complete. This form will ask you for information about what the placement will involve and, to confirm key details such as Risk Assessments, Health & Safety, GDPR compliance, safeguarding, and insurance. These steps are necessary to allow my school to review the documents and ensure that the placement is safe and appropriate. Thank you for your help with this process!
