Beach Essentials

- Quick-dry towel or Turkish towel
- Swimsuits (2-3) – to rotate between beach days
- Flip-flops or waterproof sandals
- Beach bag
- Sunhat or cap
- Sunscreen (reef-safe, SPF 30+) – harder to find in local shops
- Sunglasses
- Reusable water bottle – many hotels don't provide bottled water
- Snorkel gear – optional, but some coves are great for snorkeling
- Cover-up or sarong

Day & Night Clothing

- Light, breathable clothes – cotton, linen, and loose fabrics
- Evening outfits – think beach-chic for restaurants or beach clubs
- Light jacket or shawl – nights can be breezy, especially in May or September
- One nicer outfit – for Folie Marine or a fancier dinner spot

Adventure & Exploration

- Walking/hiking shoes or sturdy sandals – for Gjipe Canyon or village strolls
- Small daypack or hiking bag
- Portable fan or cooling towel – summer gets hot!
- Flashlight or phone light – for walking in darker beach or village areas

Tech & Travel Items

- [Portable charger](#)
- [EU plug adapter](#) (Type C or F)
- Unlocked phone + local SIM or eSIM – Vodafone Albania has great coverage
- Travel documents – passport, ID, travel insurance
- Cash (Albanian Lek) – many spots are cash only

Toiletries & Health

- Basic meds – painkillers, motion sickness pills (for winding roads), allergy tablets
- Insect repellent – especially near greenery or hiking paths
- After-sun aloe or lotion
- Hand sanitizer & tissues – public restrooms may be basic
- [Packing Cubes](#)

Optional (But Nice to Have)

- [Dry bag](#) – for boat trips or kayaking
- Bluetooth speaker – for beach days
- Travel umbrella – for shade or summer showers

- [Fannypack](#) - I like this one from Amazon
- Swim shoes – Dhermi's beaches are pebbly, not sandy
