

SECRET OF MANA

SECRET COLLAB THATS TOTALLY NOT A SECRET AND EVERYONE SHOULD JOIN IN

Hey guys, I unwittingly started a Secret of Mana collab because I wanted to draw Primm, you should totally join me! Sounds like fun right?

How to enter: [Contact me](#) via Twitter [@jampolinski](#) with the name of the character that is available below you'd like to draw! If the character you want to draw isn't listed. Then tell me, and I'll add em.

In order to participate, you **MUST** provide a link to your gallery on Tumblr or Deviantart or website wherever you have your work. You must also **provide your name and your Twitter** account so it's easier to keep in touch. And thats it, you're ready to draw some mana.

ONE ARTIST per character please!

GUIDELINES:

Please make the drawing **full body**, and in **FULL COLOR**, The entire character should be within the canvas of the drawing, preferably centered. Do not let any parts get cut off on the side if it can be helped.

The file in question **MUST BE** provided **digitally only** via a [PNG format](#) file and over a [blank background](#). You can provide background elements in the drawing as long as the edges and anything surrounding it are left **BLANK** keep in mind that this will be part of a collaborative effort piece on my new Tumblr page [jampsdrawings.tumblr.com](#)

CANVAS SIZE PROPORTIONS no smaller than **780 pixels Width X 900 pixels Height!** Please keep to this size if you can! If you work larger, please shrink it to the size given before sending it over.

DO NOT TRACE OR STEAL OTHER ARTWORK! I want to see some **creativity and style** out of this! **Put your signature on it**, or a tumblr or twitter handle so people know who it was from!

KEEP EVERY DRAWING PG-13!!! Please keep it tasteful and fun! You can draw each character however you want but please keep it sensible and I can't believe I have to say this, but, **NO NUDITY!!**

Once finished, please send your finished drawing to [jampoleryan@gmail.com](#) or tweet to [@jampolinski](#) with Hashtag **#SecretofManaCollab**, you may also post it on your Tumblr, or Deviantart, or wherever the heck you want, just link back to the original twitter post.

No due date yet! Lets see if people are interested first!
