Greetings Past, Present, and Potential Hawkeye Theatre Directors!

It's that time of year when we begin the process of selecting directors and plays for our next season. We are sending you this letter because you have either directed a play for Hawkeye in the past, have indicated interest, or were recommended by a Hawkeye member. If you are interested in directing for the 70th season (2026), please fill out the form on the back-side of this letter and return it to us at the address listed above, email us at: [hawkeye@hawkeyetheatre.com](mailto:hawkeye@hawkeyetheatre.com), or hand deliver it to a board member by November 15, 2025. This will give the play reading committee plenty of time to read proposed selections, as well as contact chosen directors, and lay out the season in time for our annual meeting in January.

Please provide the name of one or two play selections, along with the author and publisher of each play that you would like us to consider. The board will choose plays by genre, whether that play has been produced in the community within the past ten years, and would best fit our audience. Also, please rank preference to which month you would most like to direct (#1) to least like to direct (#6). We will do our best to accommodate preferences.

Thank you for your interest in directing and your support of Hawkeye Community Theatre!
