

We are hiring! 🎉

French content translator and editor (freelance)

Your role:

- Translate anatomical and histological articles and videos from English to French
- Review translations from other team members
- Upload educational content onto www.kenhub.com
- Participate in various creative projects involving the French team

Position description:

- Work from any place on the globe (100% remote).
- Hourly rate of €15 per hour, and 0,05€ per source word.

Hiring criteria:

- Availability to work at least 20 hours per week.
- Native proficiency in French language.
- Strong proficiency in English language skills for communication with different teams and translation process.
- Medical student who has passed anatomy, histology and physiology, or a college degree with medical background (medical doctors, stomatologists, osteopathic doctors, or any other healthcare profession).
- Ease of acquiring new technical skills through being mentored by experienced team members (e.g. Google docs, managing Keynote presentations, etc).

How to apply:

- Send your CV and Cover Letter in PDF format to jobs@kenhub.com quoting reference number **KHJ 24 FCT EN**.
- Translate to French the article about [Sartorius muscle](#) and submit as an attachment to your application email.
- Preferable: Use the anatomical terminology available at www.kenhub.com for anatomical terms, in order to use the correct anatomical terminology in your translation.

The application period is open until **31.05.2024**. Incomplete or late applications will not be considered.
