

"Me Museum" Project

We are spending time meeting new friends and building a classroom community. In an effort to get to know each other better, I am asking students to create a "Me Museum." This simply means students will need to bring in **three** items or pictures that represent them, their families, hobbies, or interests. Students will be using their desktops as museum displays, so please pick items that will fit on this space.

*****Please bring your three items to school this Friday, August 28th.***

IN CLASS, students will be writing explanation cards for their items. The explanation for each item will need to be at least three sentences long. Students will also create a sign to be displayed for when we tour all of the "Me Museums."

Have fun deciding which items to bring in. I can't wait to learn more about everyone!
